Toolkit Guide to Questioning is available now [Supporting New Teachers](#) Lynn F. Howard, 2015-07-22 What are you doing to sustain new teachers Fifty percent of new teachers leave within the first five years of teaching Why Surveys cite paperwork discipline communication and feelings of isolation But exiting teachers say lack of support from the administration specifically the principal causes them to leave the profession Today's educational landscape requires administrators to balance management and instructional leadership While many understand management creating a supportive environment that builds capacity and fosters positive communication isn't so intuitive This guide provides leaders with realistic and simple to implement strategies that support new teachers Every chapter includes Stories From the Field features common challenges and practical strategies Administrator's Role frames solutions within job function current trends and research based practices Self Reflection guides action planning with checklists and worksheets If leadership makes the difference in keeping new talent get this guide to stop the new teacher exodus Lynn Howard reinforces the fact that what we do every day to support teachers specifically new teachers impacts student learning The self reflection questions in each chapter provide an opportunity to honestly reflect on current practices as an instructional leader Building on your own individual strengths and challenges in providing new staff support through self reflection will provide the tools for the development of a realistic plan of action to support develop and retain new teachers Dr Lena Marie Rockwood Assistant Principal at Rumney Marsh Academy Revere Public Schools Massachusetts I wish I had this book my first year as an Assistant Principal Lisa Parker First Year Teacher Assistant Principal Principal of the Year Bertie County Schools NC **Practical Steps to Digital Research**

Deborah B. Stanley, 2018-07-11 This hands on approach to teaching digital research skills breaks down each research skill into simple targeted steps that enable students to research more deeply and to accomplish real world tasks Today's rapidly diversifying digital world provides easy access to information making it increasingly important that students know how to conduct research online In this book you'll learn how to transition your instruction of the research process from a print context to a digital one and to expand your own knowledge of how to best assist students at all stages of their research Using six well defined steps that she developed in her 26 years of experience as a school librarian Deb Stanley provides practical strategies for each of the six steps of the research process accompanied by easily used and replicated lessons and handouts that are applicable and adaptable to all grade levels K-12 Step by step instruction links to Common Core state standards and ideas to help students succeed at each stage of the research process makes this title a must have for any school librarian

[Civic Engagement Pedagogy in the Community College: Theory and Practice](#) Emily Schnee, Alison Better, Martha Clark Cummings, 2015-11-19 This book will help post secondary educators to discover the joys and challenges of implementing theoretically grounded civic engagement projects on their campuses The essays on civic engagement and public scholarship are written by an interdisciplinary group of community college faculty who have designed and implemented civic engagement projects in their classrooms The projects they describe stand at the intersection of research theory and pedagogy They

challenge dominant constructions of civic engagement as students bring their community culture and history into the classroom The authors consider the particular complexities and constraints of doing civically engaged teaching and scholarship at the community college level and situate their projects within current theoretical debates about civic engagement public scholarship and public higher education **The Distributed Leadership Toolbox** Mark E.
