**The Framework for Resilient Industry** Narinder Kumar, Kiran Sood, Ercan Özen, Simon Grima, 2024-03-26 **The Framework for Resilient Industry** examines the historical background current status and future opportunities and challenges of the Indian industry delving into region specific issues such as micro small and medium enterprises MSMEs economic policy risk management and sustainable industries

**Gendered Technology in Translation and Interpreting** Esther Monzó-Nebot, Vicenta Tasa-Fuster, 2024-07-18 This collection takes an interdisciplinary approach to the study of gendered technology an emerging area of inquiry that draws on a range of fields to explore how technology is designed and used in a

way that reinforces or challenges gender norms and inequalities The volume explores different perspectives on the impact of technology on gender relations through specific cases of translation and interpreting technologies In particular the book considers the slow response of legal frameworks in dealing with the rise of language based technologies especially machine translation and large language models and their impacts on individual and collective rights Part I introduces the study of gendered technologies at this intersection of legal and translation and interpreting research before moving into case studies of specific technologies The cases explored in Parts II and III discuss the impact of interpreting and translation technologies on language professionals language communities and gender inequalities while stressing the future needs of gendered technology particularly machine translation Taken together the collection demonstrates the value of a cross disciplinary approach in better understanding how language technologies can be harnessed to address discrimination and contribute to growing discussions on gender equality and social justice at the intersection of technology and translation This book will be of interest to scholars in translation and interpreting studies gender studies language technologies and language and the law
