old hat but that doesn't mean you should leave blogging on the table. Not only is blogging good for business but it is also fun and can help you to build relationships with other marketers. This could lead to Joint Venture deals and collaborations etc and it's a bonus of blogging that often gets overlooked. Look at the top internet marketers. They all have a blog. There's also niche blogging and it's certainly a very valid way of making money online especially if you can build up a large portfolio of blogs in different niches. In this book I'm going to show you how to set up and run a successful blog. We'll discuss the techy side of installing a blog, filling it with content, monetizing it and driving traffic to it. We'll also discuss things such as how a blog can help you to build a list and how you can flip blogs for profit. Whether you want to become a niche blogger or you're looking at running a personal blog or a blog for your business, I hope that this guide will help.
