If You Could Live Anywhere Melody Warnick, 2022-07-26 Even when your job can be done from anywhere the place you call home still matters a lot By the old rules of work your dream career determines where you live If you want to make movies move to Los Angeles If you want to work in publishing you must be in New York And if you re launching a start up you ll only succeed in Silicon Valley But with the meteoric rise of remote and freelance work more people than ever are becoming location independent Even doctors teachers and other people in more traditional occupations have to make tough choices about where they settle because living in the right place can still make all the difference for your success and happiness So if work won t dictate where you live how will you ever decide If You Could Live Anywhere answers that question Melody Warnick unpacks the big picture concerns that we often miss when we re writing pros and cons lists about potential destinations Because the secret to being happy isn t moving it s aligning your location with your values You ll learn how to craft a personal location strategy that will make the most of your money your community and your life with success stories from people who flexed their location independence to find homes and work they love The future of work is clear it can happen wherever you are So where do you really want to be

Surviving the Feminist Divorce Conrad Riker, It s tough being a man in today s world Society seems to be against you and the legal system is no exception You ve worked hard for your pension only to have it stolen by a system that doesn t care about male disposability You ve had your investments taken away your life turned upside down and now you re left to start over from scratch This book addresses the real issues men face in a society that undermines their value Have you been divorced and lost everything Are you struggling to find your footing in a world that seems to be against you Learn how society s bias against men leads to economic disparity stolen pensions and an uphill battle in the legal system Understand the impact of invasive left wing ideologies on your life your sanity and your future Hear about the female nature from an evolutionary perspective and how it affects relationships and divorces Explore the myth of the wage gap and why it perpetuates male disadvantage Discover practical and emotional

strategies to overcome setbacks and thrive in a society that doesn't seem to want you to succeed. If you want to fight back against a system that seems designed to keep you down, then this book is your guide. It's time to take back control of your life and your future. Buy this book today.

Cultural (Im)mobilities and the Virocene Tzanelli, Rodanthi, 2021-11-19. This unique book considers COVID 19 as one pandemic amongst many forming an episodic era of ebbing and flowing crises: the Virocene. Investigating COVID 19 in the context of the phenomenology of the crisis, it offers critical exploration of key theses in the study of mobility and futures travel and citizenship. Through thought provoking and insightful analysis, Rodanthi Tzanelli suggests that COVID 19 and any highly infectious virus that follows evolves into the new self governing principle of various forms of movement acting as an ontological magnet as mobilities become reshaped by remote technologies: the very order of reality changes.

Kingdom Of Ten Thousand Things Gary Geddes, 2012-08-14. For thirty years Gary Geddes has lived with his shadow self: an obscure 5th century Buddhist monk named Huishen whose legend shanghaied his vivid imagination. Huishen originally from Kabul, Afghanistan reportedly sailed from China to Vancouver Island, continuing southward to Mexico. In a journey to recreate the travels of Huishen, Geddes finds himself not only struggling to cross the ancient barriers of the Himalayas, the Taklamakan Desert, the Pacific Ocean, and the jungles of Central America, but also gingerly picking his way through Taliban landmines and Chinese and Zapatista politics. From Afghan refugees to Tibetan monks and the ghost of Quetzalcoatl in Mexico, Geddes encounters a host of quirky characters and fast friends, none so compelling and insistent as the voice of Huishen who speaks to him mysteriously across the centuries. But not even Huishen could imagine the events of 9/11 which transform Geddes' journey beyond a quest for an elusive monk into an exploration of the ways in which we learn to interpret history. Sacred, profane, and richly comic, *Kingdom of Ten Thousand Things* is a Chinese term for life itself: a remarkable personal odyssey, a cornucopia of adventure, philosophy, and hearsay, a book that will disarm and delight while provoking debate just who got here first anyway.
