**Remote, Inc.** Robert C. Pozen, Alexandra Samuel, 2021-04-27 You can thrive and excel when you re working remotely if you adopt the mindset habits and tech tools of professionals who are even more productive outside the office Learn to think like a business of one and that entrepreneurial mindset will transform your experience of remote work Remote work can be satisfying and productive once you craft a strategy that taps into the unique advantages of working from home After a year in which many of us plunged into remote work overnight we finally have a chance to make thoughtful choices about how to combine remote and office work and how to make the most of our days at home Remote Inc gives you the strategies and tools you need to make remote work a valuable part of your renewed working life Learn how to Gain control over how and when you work by focusing on objectives not the 9 to 5 workday Wow your managers by treating them like valued clients Beat information overload by prioritizing important emails and messages Make online meetings purposeful focused and engaging Build great relationships with your colleagues whether at the next desk or another city Find a balance between work from home and life at home Make a remote work plan that lets you get the best from time at the office and the best of home Remote Inc takes you inside the mindset and habits of people who flourish while working outside the office some or all of the time people who function like a business of one That s how productivity experts Robert C Pozen and Alexandra Samuel describe the mindset that lets people thrive when they re working remotely whether full time or in combination with time at the office You can follow their lead by embracing the work habits and independence of a small business owner while also tapping into the benefits of collegiality and online collaboration      *Industrial World* , 1893      [If You Could Live Anywhere](#) Melody Warnick, 2022-07-26 Even when your job can be done from anywhere the place you call home still matters a lot By the old rules of work your dream career determines where you live If you want to make movies move to Los Angeles If you want to work in publishing you must be in New York And if you re launching a start up you ll only succeed in Silicon Valley But with the meteoric rise of remote and freelance work more people than ever are becoming location independent Even doctors

teachers and other people in more traditional occupations have to make tough choices about where they settle because living in the right place can still make all the difference for your success and happiness So if work won't dictate where you live how will you ever decide If You Could Live Anywhere answers that question Melody Warnick unpacks the big picture concerns that we often miss when we're writing pros and cons lists about potential destinations Because the secret to being happy isn't moving it's aligning your location with your values You'll learn how to craft a personal location strategy that will make the most of your money your community and your life with success stories from people who flexed their location independence to find homes and work they love The future of work is clear it can happen wherever you are So where do you really want to be
