content This is all about recency meaning if a user hasn't logged in for a while they won't have to scroll through outdated and no longer relevant posts They'll be shown timely content that matters to them Interest This is really the secret sauce as Instagram is paying attention and will serve content that it believes the user will be interested in Relationships Instagram knows what photos users tag and where they comment So if a user has interacted in some way with certain brands in the past they are far more likely to be served content from that brand or similar brands in the future For marketers this is a great thing It means that as Instagram learns more about your brand your posts and advertisements are more likely to get in front of your niche or target audience A few notes about Instagram Shopping With the release of Instagram Shopping in late 2016 Instagram literally turned their platform into an online marketplace While it is still a common practice to include website links to your business site and even to a product page now it is possible to allow the customer to transact directly on the Instagram platform For businesses that want to enable the Shopping capability they need to meet the following requirements You must have an Instagram business profile That business profile needs to be connected to a Facebook catalog Your company's registered headquarters location must be located in one of the Instagram approved countries Items for sale must be physical goods that comply with the trading guideline and terms of use set forth by Instagram As this Instagram Marketing Guide is intended as a resource for those getting started with Instagram marketing we will not be providing a deep dive of the Instagram Shopping capability Here is a Preview of What You Will Get A Full Book Summary An Analysis Fun quizzes Quiz Answers Etc Get a copy of this summary and learn about the book *500 Viral Instagram And Reels Content Ideas* GURMEET SINGH DANG, Unlock the power of creativity with 500 Viral Instagram And Reels Content Ideas a comprehensive guide designed for influencers creators educators entrepreneurs and businesses who want to dominate social media with fresh engaging and impactful content This eBook provides 500 viral content ideas across 10 high demand categories including lifestyle motivation food travel entertainment parenting and more Each idea is explained in detail with why to use it where to use it and how to create it along with tips for beginners and professionals ensuring value for readers of all levels Unlike generic content lists this book delivers authentic practical and easy to apply strategies that work across platforms like Instagram Reels TikTok YouTube Shorts and beyond This eBook is a perfect resource for Social media influencers Content creators Media students Marketing professionals Educators and trainers Entrepreneurs looking to grow online This eBook is written and created by GURMEET SINGH DANG using advanced AI technology and published under GURMEETWEB TECHNICAL LABS a recognized Film Music Production Brand Record Label and Commercial Publisher Whether you aim to go viral build your brand or inspire your audience this eBook provides everything you need to stay ahead of the trends and create content that people love to share Published by GURMEETWEB TECHNICAL LABS Trusted brand for quality content useful valuable skillful comprehensive and innovative Global projects products and creativity [Instagram And YouTube Marketing For Business](#) Brandon's Business Guides,2020-10-02 Introducing How You Can Rapidly Grow Your
