[99 Tips for Creating Simple and Sustainable Educational Videos](#)

Karen Costa, 2020

The research is clear: online learning works best when faculty build regular positive and interactive relationships with students. A strategy that helps forge such a relationship is the use of videos. Student satisfaction and course engagement levels also increase with the use of instructor-generated videos.

The subject of this book, *Beginning*, by outlining the different types of videos you can create and what the research says about their effectiveness, Karen Costa explains how they can be designed to reinforce learning to align with and promote course outcomes and to save you time across your courses. She then describes how to create successful videos with commonly available technologies such as your smartphone and without a major investment of time, demonstrating the simple steps she took to develop her bank of videos and build her confidence to deliver short, straightforward learning aids that are effective and personal.

Embedded QR codes in the text enable you to view sample videos and screencasts that bring the book's advice to life as you read. If you've been wanting to include videos in your teaching but haven't found the time or confidence, this book will help you to develop a simple and sustainable video development process supporting both your success and the success of your students.

Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
