devices **Beyond Princess Culture** Katherine A. Foss, 2019 *Beyond Princess Culture: Gender and Children's Marketing* explores the impact of a post princess space examining potential agency and empowerment in the products users while acknowledging that at least some alternatives continue to perpetuate components of the rigidly gender coded princess culture. This book collectively critiques the commodification of the post princess child consumer through analysis of historical and contemporary toys, video games, clothing websites and other popular culture phenomena. Guided by theories from feminist and gender studies, *Beyond Princess Culture* demonstrates how the marketing of children's products has and continues to perpetuate and challenge hegemonic notions of gender, race, ethnicity, ability and other positions of intersectionality as situated in the social, economic and historical contexts.
