Zconomy Jason R. Dorsey,Denise Villa,2020-09-22 The most complete and authoritative guide to Gen Z describing how leaders must adapt their employment sales and marketing product and growth strategies to attract and keep this important new generation of customers employees and trendsetters Gen Z changes everything Today s businesses are not built to sell and market the way Gen Z shops and buys or to recruit and employ Gen Z the way they find and keep jobs

Leaders need answers now as gen Z is the fastest growing generation of employees and the most important group of consumer trendsetters. The companies that quickly and comprehensively adapt to Gen Z thinking will be the winners for the next twenty years. Those that don't will be the losers or become extinct. *Zconomy* is the comprehensive survival guide on how leaders must understand and embrace Generation Z. Researched and written by Dr Denise Villa and Jason Dorsey from The Center for Generational Kinetics, the insights in *Zconomy* are based on their extensive research; they've led more than 60 generational studies and their work with more than 500 companies around the world. In *Zconomy*, Dr Villa and Dorsey answer: Who is Gen Z? What do employers, marketers, and sales leaders need to know? And most importantly, what should leaders do now? This is the critical moment for leaders to understand and adapt to Gen Z or become irrelevant. Gen Z is already reshaping the world of business, and this change is only going to accelerate. *Zconomy* is the definitive manual that will prepare any executive, manager, entrepreneur, HR, or marketing professional to successfully unlock the powerful potential of this emerging generation at this pivotal time.

Generation Z and the labor market in New York City. Impact of their demands and digital affinity on the work environment Friederike Berg, 2020-07-16 Master's Thesis from the year 2020 in the subject Leadership and Human Resources. Generation Y. Generation Z. grade 4.0 language English abstract The main objective of this study is to examine whether Gen Z's demands will impact the labor market in NYC. Further, if it does, how will Generation Z impact the way this economy functions? The study also examines which industries and how they would be affected. The study examines how Gen Z's demands impact the future of NYC's labor market. It will define development of NYC's economy based on Gen Z's digital affinity on the work environment, developments in regards to the work flexibility and developments that appear due to the Zers' entrepreneurial spirit. The trends will subsequently affect New York City's work environment of today, the structure of the industrial cluster, and the structure which is shaped by industry giants of how we operate today. Generation Z is entering New York City's workforce and is about to substitute the Baby Boomer Generation. New York City's labor market is not prepared for this change. It is the first generation that has grown up with the constant presence of the internet and the rise of social media, which makes it unique in comparison to other generations in the workforce. This study will identify the impact of Generation Z's work expectations on New York City's economy by conducting mixed methods with in-depth interviews with Zers that live in New York City. It focuses on the areas of digital affinity, work flexibility, and the entrepreneurial spirit. It is expected that New York City will face enormous and not in the short term solvable challenges.
