Fundamentals of Innovative Sustainable Homes Design and Construction Avi Friedman, 2023-06-26 This book offers ideas and practices on contemporary design concepts and illustrates them with plans and photographs of outstanding examples Current planning and design modes of dwellings and neighborhoods are facing challenges of philosophy and form Past approaches no longer sustain new demands and require innovative thinking The need for a new outlook is propelled by fundamental changes that touch upon environmental economic and social aspects The depletion of non renewable natural resources and climate change are a few of the environmental challenges Increasing costs of material labor land and infrastructure have posed economic challenges with affordability being paramount among them Social challenges are also drawing the attention of designers builders and homeowners Walkable communities aging in place and multigenerational living are some of the concepts considered In addition live work environments have become part of the economic reality for those who wish to work from home which has become possible through digital advances The text would be of interest to scholars working in architecture urban planning and construction

Employee Experience Design Dean E. Carter, Mark Levy, Samantha Gadd, 2026-01-27 How to harness Employee Experience Design to attract and retain the best talent In *Employee Experience Design* How to Co create Work Where People and Organizations Thrive three highly experienced leaders explain how businesses can use Employee Experience Design to create workplaces that deliver better business results by first focusing on meaningful employee experiences Many leading organizations worldwide have successfully implemented Employee Experience Design but until now there has been no comprehensive book that outlines exactly how to do it Employee Experience Design delivers a proven step by step method that leads to more engaged and productive employees which in turn leads to superior organizational performance With inspiring stories from leading brands like Airbnb Patagonia and many others this book addresses challenges businesses face such as We all know that the world of work is continuously evolving and unpredictable Many leaders are not sure how to make changes to address new unexpected challenges Employee Experience Design is a system leaders can use to meet those challenges Employee Experience Design is much more than a rebrand of traditional HR practices It is a shift in mindset that HR and the organization can use to navigate highly competitive markets and ones with thin profit margins Many organizations are drowning in policies and initiatives Employee Experience Design is a way to reduce that burden while delivering better results both for employees and for the bottom line Employee Experience Design is a timely and practical guide for business leaders executives and managers who want to recruit the best talent engage and retain those people and deliver impressive business results

Effective Remote Work Dr. James Stanier, 2022-03-28 The office isn't as essential as it used to be Flexible working hours and distributed teams are replacing decades of on site open plan office culture Wherever you work from nowadays your colleagues are likely to be somewhere else No more whiteboards No more water coolers And certainly no Ping Pong So how can you organize yourself

ship software communicate and be impactful as part of a globally distributed workforce We'll show you how It's time to adopt a brand new mindset Remote working is here to stay Come and join us Remote working is on the rise Whether or not we are remote workers it is likely we are all part of a global workforce We need to learn to interact remotely because we are all remote from someone in some way Rather than simply simulating the way we'd usually work together via digital means we have to learn new communication skills and adopt a different mindset in order to work remotely effectively efficiently and most importantly healthily We'll start by getting you set up with the right equipment and habits Then we'll learn the mindset of treating everyone as remote and conquer both synchronous and asynchronous communication You'll learn how to produce amazing artifacts how to communicate clearly and how to manage yourself and your teams Then we'll look at the bigger picture from measuring the remote readiness of your workplace to creating a handbook for your team to exploring remote first culture and tackling burnout and mental well being Fundamentally we'll see that adopting a remote working mindset can do wonders for our organization our effectiveness and our impact in our careers It can even create a more diverse and inclusive industry for us all to work in So what are you waiting for The remote future is now Be a part of it What You Need There are no prerequisites to reading this book other than having had some experience of working in the software industry and a healthy curiosity

Nothing Serious Emily J. Smith, 2025-02-18 Nothing Serious is an unflinching and incisive look at modern dating womanhood friendship and obsession Smith's unforgettable voice wit and cultural precision will make you crave her take on all contemporary quandaries Courtney Preiss USA Today bestselling author of Welcome Home Caroline Kline A scintillating debut about a disillusioned tech executive who goes into an obsessive spiral when her best friend and longtime crush is implicated in a woman's death Edie Walker's life is not going as planned At thirty five she feels stuck in her career in her love life and in her tiny San Francisco studio apartment It doesn't help that her best friend Peter Masterson is basically the her successful male version of her and she's hopelessly unrequitedly in love with him But when Peter breaks up with his girlfriend of seven years Edie thinks her life might finally be turning around He'll discover how toxic dating app culture is and realize that Edie has been right for him all along Except Peter almost immediately lands a date with Anaya Thomas a gorgeous whip smart professor and writer of feminist literature who even Edie reared in the culture of tech bros is

smitten by Unlike the women Peter has dated before Anaya is like an alternate reality version of Edie one with shampoo commercial hair and a meaningful career who definitely doesn't spend her weekends scrolling social media alone in her apartment It's only a matter of time before Peter falls head over heels for this woman Edie herself is infatuated maybe even a little obsessed after one meeting Then Anaya is found dead in her apartment Right after a date with Peter Driven by her near fanatic love of Anaya's work and a desperate need to prove Peter's innocence Edie begins searching for clues to what really happened that night As her fixation on the investigation grows so do her doubts in Peter When the truth finally comes to light Edie must decide where her loyalties lie who deserves justice and who deserves to be punished Provocative tense and compulsively readable *Nothing Serious* is a shrewdly observed astonishingly heartfelt debut combining a darkly funny takedown of online dating with an honest examination of the challenges women face every day but don't dare discuss from a brilliant new voice in contemporary fiction
