**Multidisciplinary Approach to Diversity and Inclusion in the COVID-19-Era Workplace** Hynes, Rilla, Aquino, Carlos Tasso, Hauer, Josephine, 2022-02-25 Empathy diversity inclusion and soft skills are key building blocks of an innovative workforce challenged to respond to the ever growing needs of the COVID 19 era Organizations that value diversity and inclusion are looking for ways to manage the shift of workers and skills from traditional manufacturing to the 21st century vision by incorporating new technology and tools In this new model a diverse workforce is necessary as creativity and innovation grow from the skills that differentiate humans Further research into the next steps for using diversity and inclusion in an efficient manner discovering and training new skill sets and building sustainability into the creative process is needed to fully embrace this new era of inclusion Multidisciplinary Approach to Diversity and Inclusion in the COVID 19 Era Workplace highlights best practices of successful companies in the new normal conditions caused by the pandemic and provides innovative research on diversity and inclusion to help organizations navigate the changing competitive global environment Covering a range of topics such as remote work unconscious bias and information literacy it is ideal for professors researchers academicians practitioners human resource professionals industry professionals and students

**Teachers Time Management for the Digital and Green Age** Fabrice Serodes, 2025-09-08 This timely and essential study examines how the twin transitions of digitalisation and ecological responsibility are reshaping the foundations of contemporary education The book explores the systemic shifts in school organisation professional roles and working conditions positioning itself at the intersection of educational management sustainability and technological change It identifies persistent structural barriers that have been a hindrance to the implementation in recent years ranging from inadequate infrastructure to institutional resistance It also highlights innovative practices that have emerged through cross disciplinary collaboration and pedagogical experimentation Furthermore it offers solutions that will help overcome the obstacles Drawing on extensive empirical research and actual case studies it captures the pressures placed on educators particularly during crises and the potential for renewal A central focus lies in rethinking time use task coordination and teacher well being advocating for adaptive strategies and institutional support In alignment with the European Union s strategic agenda the book calls for an education system that is not only future ready but also equitable humane and resilient

**Teacher Education Online** Marla J. Lohmann, Kathleen A. Boothe, 2025-09-04 Teacher Education Online A Practical Guide for Instruction addresses the need for guidance on teaching high quality online courses in teacher education programs In the past few years an increasing number of courses are being offered in the virtual classroom and university faculty must be prepared to support student learning online The book walks the reader through incorporating engaging effective and evidence based instructional practices into their online teacher education courses Through presentation of research and practical examples the authors guide readers through the development and implementation of high quality online coursework

for preservice and inservice teachers Each chapter includes a case study for readers to practice implementing strategies described in the book as well as space for readers to create plans for incorporating those strategies into their own courses

**Flexible Lives** Stefanie Reissner, Michal Izak, 2025-08-07 This geographically and methodologically diverse volume shines the spotlight on a variety of flexible working practices beyond the predominantly Western perspective and zooms in on the gendered aspects of flexible working The increasing use of flexible work arrangements has decoupled work from time and space making the world of work and home increasingly fluid and challenging to manage The Covid 19 pandemic in particular has been a catalyst for questioning accepted norms of where when and how work takes place This book seeks to explore the impact which this reshaping of traditional modes of working has had on workplace interactions and relationships as well as on managing the boundaries between familial and working lives In this way this collection contributes to a wider dialogue concerning the flexibility challenges encountered by white collar workers which is needed now more than ever This book will be relevant to scholars practitioners and policymakers in the fields of gender studies organizational behavior human resources and labor economics It will be particularly useful for those examining the impact of remote work the future of work organizational culture and the social and economic implications of shifting work practices The chapters in this book were originally published in *Culture and Organization* and are accompanied by an updated Introduction and a new Epilogue
