The World Is Your Office Prithwiraj Choudhury, 2025-04-22. A research-based deep dive into a growing phenomenon: companies allowing employees to work from anywhere and how those who adopt this model can boost talent, innovation, and productivity. As the debate around remote versus in-office work rages on, leaders in a wide range of industries continue to implement radically flexible work practices, allowing most if not all of their employees to work from anywhere. Why? They understand that geographic flexibility offers a competitive advantage: the ability to attract and retain top talent globally. In *The World Is Your Office*, Harvard Business School professor Prithwiraj Choudhury, who has been studying this phenomenon for over a decade, takes readers inside the trailblazing companies that are going all in on work from anywhere. WFA policies: From startups and nonprofits to government agencies and large corporations, Choudhury's research shows why and how these organizations and their employees are benefiting. Drawing insights from this pioneering research, Choudhury also provides an extensive playbook for implementing successful WFA policies, offering leaders concrete strategies to: Use WFA as a means of hiring and retaining the best talent. Effectively manage WFA teams. Share knowledge and combat isolation. Leverage AI and automation to extend WFA into manufacturing and other deskless roles. Design programs that attract talent to different regions. Filled with actionable insights and extensive case studies, *The World Is Your Office* empowers leaders to embrace the future of work.
