## **Controversial Christians:**

*Christian Controversies* Scott Haraburda, 2013 The Greatest is Love God wants us to love our neighbors If this is the premise of being Christian then why do thousands of denominations claim to be the right and true one implying that all others are false The author searches for truth and explores real world issues concerning Christians throughout history and today and the future of Christianity in this ever changing world Join the author as he challenges you to think outside of your comfort zone and questions what you might have been told not to question about the Word of God This book contains many facts and true stories some you might recognize and some from the author's own life as he logically discusses controversial subjects such as a Perfect Bible sex lying killing ethics Christian leadership Bible thumping judgment and women's rights It is well documented and written in easy to understand language to arm you with the knowledge you need to discuss Scripture in an educated and meaningful way and to develop a real world perspective of Christianity a must read for all who profess to be Christian

*Cracks in the Foundation* Stephen Howe, 2016-06-22 The Controversies of Modern Christianity Where Do You Stand *Cracks in the Foundation* Controversies in Christianity presents fresh insight on the hottest topics in modern religious debate such as Biblical Creation versus scientific evidence and evil and suffering in God's world as well as other issues Many of today's Christians struggle with issues rising from the Bible's relation to modern science from rational thought and from mixed messages within the Bible itself The Bible if read literally says God created heaven and earth 6000 years ago and created humanity on the sixth day But modern science says the universe came into being 14 billion years ago and humanity evolved over millions of years from lower life forms Others struggle with the prevalence of evil in God's world and with contradictory biblical statements concerning predestination versus free will Contradictions like these pose problems for people who think carefully about their beliefs Indeed many younger people are now looking elsewhere for answers and the number of Americans professing Christianity has recently dropped from 78% to 70% However thoughtful and inquisitive believers can now find an extremely valuable resource in *Cracks in the Foundation* This book presents a wealth of fresh insights and perspectives on twelve of the hottest topics in modern Christian debate A central theme is that many of the apparent contradictions are not as severe as they appear We find in many cases that Bible science and rational thought are amenable to reconciliation and even mutual enrichment

*Confronting the Controversies* Rev. Adam Hamilton, Sally D. Sharpe, 2001-05-01 Christians are faced every day with daunting choices between difficult alternatives What does my Christian faith have to say about the moral issues that divide our society There are plenty of people on opposite sides of the spectrum claiming to know the will of God in these matters It is nonetheless very difficult to find help in looking at both sides of these ethical questions and applying the biblical witness to arrive at an authentically Christian belief about them This is precisely what Adam Hamilton proposes to do Presented as a collection of sermons *Confronting the Controversies* includes euthanasia assisted suicide creationism abortion and homosexuality Scrupulously fair to both the positions of each side and

their motivations for holding them Hamilton offers clear concise information on what is at stake in these explosive issues Hamilton applies a careful broad reading of Scripture to offer direct yet compassionate guidance on what a faithful Christian response will be This book is set up for group study with discussion questions at the end of each chapter      **Christian Controversies** Scott Haraburda,2013 The Greatest is Love God wants us to love our neighbors If this is the premise of being Christian then why do thousands of denominations claim to be the right and true one implying that all others are false The author searches for truth and explores real world issues concerning Christians throughout history and today and the future of Christianity in this ever changing world Join the author as he challenges you to think outside of your comfort zone and questions what you might have been told not to question about the Word of God This book contains many facts and true stories some you might recognize and some from the author s own life as he logically discusses controversial subjects such as a Perfect Bible sex lying killing ethics Christian leadership Bible thumping judgment and women s rights It is well documented and written in easy to understand language to arm you with the knowledge you need to discuss Scripture in an educated and meaningful way and to develop a real world perspective of Christianity a must read for all who profess to be Christian      **Early Controversies and the Growth of Christianity** Kevin W. Kaatz,2012-02-13 This revealing history examines the controversies maneuvering and political wrangling that occupied the Christian Church for the first four centuries of its existence Drawing from primary texts Early Controversies and the Growth of Christianity reveals how the religion was formed through a series of conflicts that occurred primarily between Christian groups Presenting a close examination of the first four centuries of Christian history through the lens of the controversies that animated disturbed and finally formed the Church the book will enable readers to become familiar with the lives and writings of the early Christians and to better understand the fascinating history of early Christianity The book focuses on several major early controversies These include controversies surrounding the apostle Paul controversies concerning the apostolic fathers especially the idea of a pope and the role of the bishop priest Marcion and his influence Manichaeism and Gnosticism persecution and the Donatists Arianism the rise of the bishop in the late 4th century and power struggles between church and state Each chapter focuses on the primary texts and key players in the battle over what would finally become orthodox Christianity demystifying many poorly understood events that ultimately helped define today s Church      **Grace and the Great Controversy** Gordon Kainer,2010-07-07 The author reveals how grace is the heart of the gospel a liberating life giving and comforting melody throughout the Bible Grace is our certainty of eternal life and God s all encompassing acceptance Without grace our religious beliefs are bad news thus this book s advice Grace never leave home without it Learn how God s grace is absolute and all inclusive something we never deserve or earn Grace offers the most refreshing peace we will ever know Grace is the solution to every problem and menacing crisis threatening our planet Rightly understood grace points exclusively and continuously to Jesus Then why is God s gift of grace so controversial or even difficult for Christians to accept Could it be because grace is

totally unbelievable unexpected and undeserved Is this why legalism the enemy of grace is so common and hard to recognize in ourselves Grappling with these questions the author reveals how from Eden to our day cradled at the very heart of the great controversy is grace

**God or Godless?** John W. Loftus,Randal Rauser,2013-04-15 Perhaps the most persistent question in human history is whether or not there is a God Intelligent people on both sides of the issue have argued sometimes with deep rancor and bitterness for generations The issue can t be decided by another apologetics book but the conversation can continue and help each side understand the perspectives of the other In this unique book atheist John Loftus and theist Randal Rauser engage in twenty short debates that consider Christianity the existence of God and unbelief from a variety of angles Each concise debate centers on a proposition to be resolved with either John or Randal arguing in the affirmative and the opponent the negative and can be read in short bits or big bites This is the perfect book for Christians and their atheist or agnostic friends to read together and encourages honest open and candid debate on the most important issues of life and faith

**Raising Hell** Julie Ferwerda,2014-04-23 Why does He fail to mention hell in Genesis as the price for sin Why doesn t the Old Testament ever speak of hell Why does Paul the apostle to the Gentiles never once mention hell Why was hell not part of early Church established doctrine

**Please Do Not Call Me a “Christian”** Michael Duishka,2014-09-05 Please Do Not Call Me a Christian invites readers to immerse themselves in the truths the author has received directly from God Using the insights he has received in combination and conversation with passages from the Scriptures the author paints a passionately rendered painting of the spiritual landscape He describes the mighty acts of God with the same vigor as he illuminates Satans strivings to deceive people into trusting him rather than God In each of the chapters in Please Do Not Call Me a Christian the author speaks directly to the reader offering revealed insights aligned with citations from the Bible In its exploration of the connections between these insights and the biblical text each chapter produces a deeper and richer message to help to guide the readers life of faith If you have wondered about Gods truth if you have looked around yourself and wondered how to sort out truth from falsehood then this text stands ready to serve as an inspired guide to your exploration of the meaning of Gods teachings for your life and to your journey toward a life lived by faith and in Gods truth

Twenty Controversial Issues in Christendom Stephen Rowland,2012-08 Should Christians avoid politics Are Christian beliefs incompatible with modern science Are Christian fundamentalists almost as bad as Muslim extremists What is the relationship between homosexuality genetics and the often heard statement Jesus never said anything about it Should Christians not have anything to do with gun carry permits From a theologically conservative point of view author Stephen Rowland addresses twenty important issues in Christianity today in *Twenty Controversial Issues in Christendom* A compilation of columns originally

written for the Daily Herald of Columbia Tennessee it discusses a number of issues in which Christianity and modern culture often intersect Relevant topics include politics evolution homosexuality abortion racism Islam prosperity theology science and the Bible pacifism and denominationalism Twenty Controversial Issues in Christendom shows that Christianity still speaks to modern culture and it communicates that there is a place at the discussion table for informed Christians on divisive topics

### Controversial Christians Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Controversial Christians free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Controversial Christians free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Controversial Christians free PDF files is convenient, its

important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Controversial Christians. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone.
