Conversational Prayer Rosalind Rinker, 1984 *Reflections on the Journey to the Omega Point* Tom Reidy, 2017-05-30 *Reflections on the Journey to the Omega Point* is a collection of random thoughts in no particular order that I have been amassing and collecting over the past 70 years on a variety of subjects It is a representation of my philosophy of life that we are on a journey or a pilgrimage if you will through a hostile insecure and uncertain world on the way to the Omega Point death the portal to Heaven our eternal home where there will be eternal happiness security and certainty in an infinitely loving environment presided over by an infinitely loving God Whatever happens to us here is important only insofar as it

contributes to our place in that world beyond the Omega Point Only one thing is important Eternal Salvation in an eternal Paradise with an eternal God Some of the concepts will be repeated throughout the book but they are important enough to bear repetition as they fall into the context of various different essays I admit that I have grown more cynical as I have grown older but the world we live in is becoming increasingly conducive to cynicism I ll warn the reader now that this is a very dark book in many ways but it is a realistic book written from a Roman Catholic perspective and viewpoint All Scriptural quotes are taken from the on line version of the Douay Rheims Bible **The Art of Prayer** Timothy Jones,2011-08-17 I often shrink from books about prayer because they usually produce in me feelings of inadequacy I was delighted to find Tim Jones to be a sympathetic not intimidating guide He writes with humility clarity and practicality exactly the qualities I want in a book on prayer Philip Yancey Revised and Expanded Edition with Study Guide Included Timothy Jones guides us into a life of prayer not by cramming us with knowledge and technique but by quietly returning us to simplicity of soul and the presence of God Eugene Peterson Something within us wants to grow closer to the God who loves to relate to us But we often hesitate Even though we have a desire to pray questions nag us Can I pray when I feel distant from God Is it okay to ask God for help in little things What do I do when I don t know what to say What sense can I make of seemingly unanswered prayer How do I keep growing closer to God In The Art of Prayer Timothy Jones honestly shares his own struggles with prayer and invites you to be honest and hopeful as well Offering biblically wise warmly instructive explorations of our questions Jones considers how you can become fluent in the world s simplest language talking with God Includes a full length inductive Bible study guide on prayer ideal for small groups or individual readers wisely human spiritually practical and wonderfully interesting the late Lewis Smedes author of My God and I luminous prose and lucid insights Publishers Weekly *Conversational Prayer* Rosalind Beatrice Rinker,1976-06-01 **Principles of Effective Prayer** Wentworth Pike,1990
