home the advantage in today's workforce lies with those people who are able to do real work from home. Because let's face it, this will not be the only instance in our lifetime where we will encounter the need to lock down and shelter in place. In my book *My Work from Home*, I show you over 100 ways you can have a successful career working from the comfort of your own home. My *Work from Home* book addresses all skill levels and touches on nearly every sector of gainful employment that can be performed remotely. From highly skilled medical professionals to someone just now entering the workforce with little to no prior experience, there's a job for you. If you're just looking to make some extra side income or work at your own pace, this book is for you too. Many positions can be tailored to your preferred schedule, what your expertise is, and what your level of comfort with technology might be. I took the guesswork out of the equation for you. Other books, blogs, and articles will direct you to the link to find the job, and then you have to figure out if it is for you. The goal of my book is to cut out some of that guesswork for you by supplying you with as much information as possible so that you can start your own process without having to wade through all the internet muck I have done the heavy lifting for you. You will find at least one chapter that seems like it was written especially for you in your situation. This book is set up in chapters divided by how you would go about finding a job you love. The first part is about finding what work you might want to do, establishing what you're good at, and general advice about job hunting and working from home. The bulk of the book is dedicated to practical guidance for finding that job in the real world. You can peruse the types of jobs that can be done remotely and how you might go about performing the job you love. Conversely, I have provided you with a listing of over 60 companies who are actively hiring remote work from home workers. Out of the 100 ways to work from home, you're sure to find something you never thought of doing. Finally, I wrap up with addressing places to find freelance or gig work and suggesting some job opportunities you might take advantage of working from your house as a base of operations. While these jobs might not be done completely at home, you can still work out of your house without having to step foot in a corporate office. It's better in the eBook format. I would highly recommend purchasing or gifting this book in the Kindle eBook format because it is filled to the brim with helpful links that are clickable when read in the eBook format. If you have a Kindle Unlimited membership, you can also get this title for FREE for a limited time, so be sure to click [Read for Free](#) before this title is removed from Kindle Unlimited.

Kris McPeak, 2020-08-16

Is it really possible to balance a day job AND a side hustle? With flair and panache, you better believe it. No kidding, you CAN balance that passion project with your day job to make extra money on the side. In this imaginative and inventive new book, author and podcaster Kris McPeak shares how she had success with launching a podcast, starting a coaching business, and writing three books while maintaining her career in higher education AND running a non-profit with her husband. Wow! Achieve the edge you need for excellence in both worlds and learn how to get better sleep. Tricks to actually working only 8 hours a day. The best way to use your vacation days. How to communicate with your boss about your side hustle. Tips on being productive in the morning and at lunch. If you've always dreamed of

having a side hustle but weren't sure you had the time or the know how this is the book for you In her quirky and often hilarious way Kris offers tons of practical tips that move you in the right direction You CAN do it all So do it Advance Praise for The 9 to 5 Side Hustler Once again my friend and author Kris McPeak has created something you need to experience for yourself Reading her work is like having a conversation with a friend and mentor You will laugh a lot you may cry a little but you will certainly learn from the experience She has detailed simple practical steps for someone who wants to hustle 24 hours a day but may need to rethink their approach From time management techniques to sleep research she will help the reader remain somewhat calm in these challenging times Buy the book today take action tomorrow you won't regret it P S Keep a pen and paper handy for all the authors apps and websites she mentions This book includes vulnerable tales of triumph and defeat in the workplace and a conscious quest to reframe paradigms in order to build sustainable time management strategies All of this in the name of pursuing passion projects side hustles without quitting your day job Kris is the real deal No B S and all heart
