**Getting Rich by Magic** Simone Janson,2025-11-17 Also in the 8th revised and improved edition published by a government funded publisher involved in EU programs and a partner of the Federal Ministry of Education you receive the concentrated expertise of renowned experts overview in the book preview embedded in an integrated knowledge system with premium content and 75% advantage At the same time you do good and support sustainable projects Because earning money virtually on the side without having to do much for it is the old dream of many people But what at first sight sounds like a beautiful illusion can become quite true Passive income is the magic word after all only those who let their money work for them can become real But unfortunately very few people are really familiar with the subject of investing money and there are as many opinions about the right financial planning as there are experts So if you want to earn money on the side you would do well not to lose track in the jungle of financial products between stock trading with single stocks ETF and index funds gold real estate etc Therefore it makes sense to take a closer look at one s own asset planning after all savings and

thus the retirement provisions that are important for retirement are only destroyed by inflation Knowledge that makes a difference With its Information on Demand concept the publisher was not only involved in an EU funded program but also received several awards So when you buy the book you are also doing good The publisher is financially and personally committed to socially relevant projects such as tree planting campaigns scholarship foundations sustainable living and many other innovative ideas The goal of providing you with the best possible content on topics such as career finance management recruiting or psychology goes far beyond the static nature of traditional books The interactive book not only imparts expert knowledge but also allows you to ask individual questions and receive personal advice In doing so expertise and technical innovation go hand in hand as we take the responsibility of delivering well researched and reliable content as well as the trust you place in us very seriously Therefore all texts are written by experts in their field Only for better accessibility of information do we rely on AI supported research results to a limited extent to make information easier to find which assists you in your search for knowledge You also gain extensive premium services Each book includes detailed explanations and examples making it easier for you to successfully use the consultation services freeky available only to book buyers Additionally you can download e courses work with workbooks or engage with an active community This way you gain valuable resources that enhance your knowledge stimulate creativity and make your personal and professional goals achievable and successes tangible That s why as part of the reader community you have the unique opportunity to make your journey to personal success even more unforgettable with travel deals of up to 75% off Because we know that true success is not just a matter of the mind but is primarily the result of personal impressions and experiences Publisher and editor Simone Janson is also a best selling author was a columnist for WELT and Wirtschaftswoche and according to ZEIT one of Germany s most bloggers on success find out more about her on Wikipedia
