Multigenerational Communication in Organizations Michael G. Strawser, Stephanie A. Smith, Bridget Rubenking, 2021-05-10 Multigenerational Communication in Organizations explores generational differences in the changing workplace from a communication perspective Starting from the reality that a workplace can contain up to five different generations these chapters examine topics like generational perceptions on the job search process organizational culture organizational identification organizational crises the dark side of workplace communication remote working and future challenges Outlines of best practices and suggestions for application are provided based on the most recent data and corresponding literature The authors also develop a data forward understanding of Generation Z in context This book is ideal for both scholars and practitioners in organizational communication and management as well as for workplace managers and supervisors

The Millennial City Markus Moos, Deirdre Pfeiffer, Tara Vinodrai, 2017-08-04 Millennials have captured our imaginaries in recent years The conventional wisdom is that this generation of young adults lives in downtown neighbourhoods near cafes public transit and other amenities Yet this depiction is rarely unpacked nor problematized Despite some commonalities the Millennial generation is highly diverse and many face housing affordability and labour market constraints Regardless as the largest generation following the post World War II baby boom Millennials will surely leave their mark on cities This book assesses the impact of Millennials on cities It asks how the Millennial generation differs from previous generations in terms of their labour market experiences housing outcomes transportation decisions the opportunities available to them and the constraints they face It also explores the urban planning and public policy implications that arise from these generational shifts This book offers a generational lens that faculty students and other readers with interest in the fields of urban studies planning geography economic development demography or sociology will find useful in interpreting contemporary U S and Canadian cities It also provides guidance to planners and policymakers on how to think about Millennials in their work and make decisions that will allow all generations to thrive

Harnessing the Potential of Digital Post-Millennials in the Future Workplace Alan Okros, 2019-08-02 This book offers strategic leaders with essential information for their most important role the change management function of positioning the organization for success into the future To do so leaders need to sort through a myriad of forecasts predictions and weak indicators of change to make timely decisions This volume addresses the most critical factor for future success people and specifically harnessing the potential the current youth cohort will bring when they join the full time workforce Drawing on multi disciplinary analyses by 37 researchers the book presents an integrative assessment of the characteristics that those in the current youth cohort are likely to bring to the workplace The focus is on those born after 2005 with an examination of the implications of this cohort being raised from birth immersed in an increasingly omnipresent digital environment which extends far beyond social media The authors see the coming digital tsunami as creating disruptive effects across major elements of our economy

and even society however optimistically conclude that the digital environment and the development of 21st Century skills in schools will equip the next generation with essential competencies attitudes social skills and work goals The key to harnessing the potential of this generation will be to modify current human resources and workplace practices which will mean sweeping away much of the boomer legacy that this cohort has imprinted on organizations To assist leaders the book goes beyond presenting a rich portrait of who these youth may become by providing practical recommendations for the changes that need to start now in order to position the organization to benefit from what they will bring As the astute strategic leader knows objects in the future can be closer than they appear
