7 Steps for Success Elizabeth C. Hamblet, 2011-01-01 The transition from high school is challenging for any student but for young adults with disabilities it can be even more difficult In addition to adjusting to increased academic demands in an environment where there is less structure and support students have to navigate a disability services system that is very different from the one they knew in high school But with the proper preparation students can enjoy success This practical guide explains how the system for accommodations works describes students rights and responsibilities within that system and employs the voices of seasoned professionals and college students to explain the skills and strategies students should develop while they are in high school to ensure success when they reach college As a bonus it also offers answers to questions students with disabilities frequently ask about disclosing their disability in the admissions process
