[How to Learn Digital Marketing from Scratch and Alone - Volume 07](#) Max Editorial, 2024-09-09. What is Affiliate Marketing? Affiliate marketing is a business model where you earn a commission by promoting third-party products or services. In essence, you become an affiliate who recommends products to your audience, and when a purchase is made through your affiliate link, you receive a percentage of the sale. How does affiliate marketing work? The process starts with choosing an affiliate program. These programs can be found on dedicated platforms like Amazon Associates, ShareASale, or specific programs offered for individual businesses. Once you sign up, you receive a unique link that tracks sales generated through your recommendations. When a visitor clicks on your link and makes a purchase, the transaction is recorded, and the commission is credited to your account.
