Control Of Human Behavior Mental Processes And Consciousness:

Control of Human Behavior, Mental Processes, and Consciousness Walter J. Perrig, Alexander Grob, 2013-05-13 In this book an international group of leading scientists present perspectives on the control of human behavior awareness consciousness and the meaning and function of perceived control or self efficacy in people s lives The book breaks down the barriers between subdisciplines and thus constitutes an occasion to reflect on various facets of control in human life Each expert reviews his or her field through the lens of perceived control and shows how these insights can be applied in practice

Consciousness and Action Control T. Andrew Poehlman, Ezequiel Morsella, 2014-11-03 The basic nuts and bolts underlying human behavior remain mysterious from a scientific point of view Everyday acts naming an object suppressing the urge to say something or grabbing a waiter s attention with a cappuccino please remain difficult to understand from a mechanistic standpoint Despite these challenges research has begun to illuminate not only the basic processes underlying human action production but the role of conscious processing in the control of behavior This Research Topic Consciousness and the Control of Action is devoted to surveying and synthesizing these developments from disparate fields of study

A Theoretical Basis of Human Behavior Albert Paul Weiss, 1925

The Oxford Handbook of Human Motivation Richard M. Ryan, 2012-02-16 Motivation is that which moves us to action Human motivation is thus a complex issue as people are moved to action by both their evolved natures and by myriad familial social and cultural influences The Oxford Handbook of Human Motivation collects the top theorists and researchers of human motivation into a single volume capturing the current state of the art in this fast developing field The book includes theoretical overviews from some of the best known thinkers in this area including chapters on Social Learning Theory Control Theory Self determination theory Terror Management theory and the Promotion and Prevention perspective Topical chapters appear on phenomena such as ego depletion flow curiosity implicit motives and personal interests A section specifically highlights goal research including chapters on goal regulation achievement goals the dynamics of choice unconscious goals and process versus outcome focus Still other chapters focus on evolutionary and biological underpinnings of motivation including chapters on cardiovascular dynamics mood and neuropsychology Finally chapters bring motivation down to earth in reviewing its impact within relationships and in applied areas such as psychotherapy work education sport and physical activity By providing reviews of the most advanced work by the very best scholars in this field The Oxford Handbook of Human Motivation represents an invaluable resource for both researchers and practitioners as well as any student of human nature
