Conversations With Pauline Kael:

Conversations with Pauline Kael Pauline Kael,1996 *Conversations with Pauline Kael* brings together roughly half of Kael's published interviews along with a lively debate between Kael and Jean Luc Godard Collectively the interviews provide rewarding perspectives on Kael's aesthetics her politics and her perceptions about what it is she does as a critic They also contain discussions of films that Kael did not have the chance to review or that were released after her retirement in 1991 This collection of her interviews will provide new and renewed pleasures for readers who have valued Kael's critical voice and her challenges to consensus during the second half of the twentieth century *Afterglow* Francis Davis,2003-08-21

Women and New Hollywood Aaron Hunter,Martha Shearer,2023-05-12 The 1970s has often been hailed as a great moment for American film as a generation of New Hollywood directors like Scorsese Coppola and Altman offered idiosyncratic visions of what movies could be Yet the auteurist discourse hailing these directors as the sole authors of their films has obscured the important creative roles women played in the 1970s American film industry *Women and New Hollywood* revises our understanding of this important era in American film by examining the contributions that women made not only as directors but also as screenwriters editors actors producers and critics Including essays on film history film texts and the decade's film theory and criticism this collection showcases the rich and varied cinematic products of women's creative labor as well as the considerable barriers they faced It considers both women working within and beyond the Hollywood film industry reconceptualizing New Hollywood by bringing it into dialogue with other American cinemas of the 1970s By valuing the many forms of creative labor involved in film production this collection offers exciting alternatives to the auteurist model and new ways of appreciating the themes and aesthetics of 1970s American film **Polemic** Jane

Gallop, 2012-11-12 These new essays by leading scholars examine some famous and less well known instances of polemical encounters The essays are enhanced by an interview with Gayatri Spivak specially conducted by Jane Gallop for this volume Historically rigorous theoretically astute and sometimes wickedly funny Polemic makes criticism a critical issue *Sharp*
