#### **Conversations With An Unbelieving Friend:**

**Conversations with an Unbelieving Friend** John Carmody, 1991-01-01 Conversations With My Unbelieving Friend Michael Gayle, 2020-04-14 Very few topics generate as much emotion as religious beliefs Those with religious inclinations and those who are against religion frequently embrace their particular viewpoint on the basis of information much of which may be incorrect This holds true for both believers and non believers Through a series of semi fictitious conversations Michael Gayle seeks to address some of the issues which influence an individual s worldview For the non believers this is useful in clarifying any misconceptions which may be preventing them from even considering Christianity For believers it provides at least two useful functions First of all it may help to clarify their own misconceptions and thus strengthen their faith Secondly it helps to provide them with information which they can use in their own conversations with non believers that they will encounter in their Christian walk The format is that of a series of semi fictitious conversations between the author and a fictitious friend The conversations represent dramatizations of the content of real conversations that the author has had over the years combined with issues which he has deliberated on himself In a number of instances he addresses topics in respect of which he found the traditional explanations to be unconvincing even though they may have been correct If someone does not believe in the veracity Bible it will be difficult to try to convince them of the truth of a statement in the Bible on the basis that because it is in the Bible therefore by definition it must be true The author has encountered this approach and was himself unconvinced thereby Accordingly whilst not denying the truth of the Bible he has taken a different approach to some of these issues and approach which is practical reasonable and defensible In so doing his hope is that he will be able to clarify some of the issues which have caused many people to arrive at misconceptions related to the Bible and Christianity In a very light hearted manner he addresses such issues as atheism blind faith evolution intelligent design miracles science biblical accuracy and a number of other topics which are typically the subject of disagreement or misunderstanding This is intended to be the first in a series of three or more books. The intention of this first volume is not necessarily to convert anyone to Christianity The intention is to remove any obstacles which are preventing anyone from honestly rather than emotionally evaluation the validity of Christian beliefs Of course there is the hope and possibility that some will be converted as a result but that is not the primary objective The conversations will continue in the subsequent volumes and maybe just maybe some may find the subject matter sufficiently compelling so that they are prepared to open up their hearts to the Lord <u>Jesus Conversations</u> Dave Sterrett, 2021-10-05 A practical how to guide for Christians who want to share their faith in more effective and natural ways How are we to talk about Jesus to someone who does not believe the way we do Very few of us feel comfortable articulating the truthfulness of Christ's death and resurrection to a peer outside of the church Sometimes Christians feel intimidated by the objections of unbelievers who may say That s right for you but not for me or That's just your opinion Jesus Conversations provides questions answers and relational tips in overcoming these

conversation stoppers Along with biblical insights and apologetics readers will see firsthand examples and stories of ordinary people who share the gospel while visiting nursing homes throwing parties renting out bars for open minded skeptics and more Sterrett s book equips followers of Jesus to become winsome and confident in communicating the truths of the gospel to nonbelievers It would be most effective for college students and will resonate with those who are familiar with the I Am Second movement Key points and features Provides strategies and practical insights to help Christians become courageous in engaging in conversations with those who might not believe in the authority of the Bible Practical relatable and accessible

**Community Bible Study Conversation Guide** Andy Stanley, Dan Mancini, 2013-12-23 Community It's a word we often hear but what does it really mean And why is it so important to your spiritual life Because you can t grow spiritually unless you re connected relationally God designed us that way He wants to use other people to grow us and he wants to use us to grow other people In this 8 session video based study DVD digital video sold separately specifically designed for launching new small groups well you ll explore how building deep relationships with the people in your small group and serving in the larger community around you will grow your faith You ll learn why your unique story matters to God and to the people you do life with Community is a great way for small groups to grow together and for churches to connect new people in their congregation This conversation guide is a necessary tool walking you through each session with group starters leader s notes discussion guestions and weekly reading Sessions include Show Up Pursue God Join In Be Real Part 1 Be Real Part 2 Be Real Part 3 Be the Church Be Together Designed for use with Community Video Study sold separately The God Conversation J. P. Moreland, Tim Muehlhoff, 2017-02-14 Every day it seems more difficult to explain to others what we believe and why When our arguments fail to persuade them what then J P Moreland and Tim Muehlhoff say that the best way to win over others is with a good story In this expanded edition of their classic book the authors give practical coaching and illustrations to help us communicate our faith more effectively The Art of Hard Conversations Lori Stanley Roeleveld, 2019-02-19 Your next conversation could impact someone s life forever Hard conversations challenge everyone Some people make every effort to avoid them altogether others dive in enthusiastically damaging relationships in the process A solid middle ground is difficult to find especially for those who want to make sure they re following a biblical model for these tough encounters Lori Roeleveld firmly believes that the dialogues everyday Christians delay are often the very channels God wants to use to deepen relationships and transform lives And she is eager to address the challenges they pose and to guide readers to meaningful conversations that rely on the wisdom of the Bible rather than the world In The Art of Hard Conversations Roeleveld provides motivation inspiration and practical readily applied skills to make those tricky talks more effective Through funny vulnerable personal stories sound biblical teaching and sections of tips and assignments to practice the principles here are guaranteed to increase the confidence and competence of Christians in discussing sensitive topics of every kind Bible Revival Kenneth Berding, 2018-11-30 A passionate plea to make the Bible occupy the central place of a
