Conversation with Angels Dror B. Ashuah,2008-11 It is our intention to help you realize your full potential by guiding you through the mechanism of spirit From our perspective it is simple You have two main tools and the rest is a variation on this theme The first is love and the second is intent These two are the vehicle and the fuel You contain all you need and you create what you need when you are in the now When you are walking hand in hand with your breath feeling your heartbeat you are powerful The joy comes from being you with you You are vibrating instruments To yourselves you appear solid but to us you are a vibration We see you in terms of your colors we see you in term of your light we see you in terms of the shapes that surround you and we can hear your melody You are a giant orchestra and pyrotechnic display combined You are beautiful to us you are magnificent in every way When a human plants a seed of enlightenment all around will begin to see the light Light does not have an agenda Light does not try to convince anyone of its attribute Light just reveals what is there It is an awesome power to realize your oneness and to set an intention to vibrate at a higher frequency Discovering your true purpose and your oneness will manifest a bridge of light that will open the path to a new consciousness And so be it

[Healing from Above](#) Alexandria A, 2017-07-08 This is book three of a series of compiled messages received through personal revelation Many of these messages are in a teaching reference for energy healing but also for parenting marriage and for preparation for the second coming of Jesus Christ Your heart must be completely given unto God's mission and His ways You cannot play for both teams and not become injured You cannot sit on the fence and not be split in half You can be pure light In fact your body mind and

spirit crave to be pure light It is the darkness that creates suffering not the light Surprisingly when you are radiating pure light there is no more fear to withhold you from your dreams Angel His mysteries are free to the onlooker who is pure in heart and intent Faith can take you farther than imaginable How can you move a mountain By moving your mind so you know how all of creation came about and the mountain is a part of you I must warn you to keep God at the center of your lives or you will be destroyed by your own hands Angel Your brain can be turned on and off Most people have turned theirs off due to evil in the world There is nothing delicious to the taste when you find out the truth about humanity Sorrow always entails while the brain shuts down for protection of the harsh reality of your modern day BUT this is not necessary to focus upon the bad when there is plenty of good to focus upon See when the brain works properly the mortal man removes God from the equation This is the downfall of his true sanity If he could focus upon God and give His whole life unto Him who created him then mankind could see the beauty and the creation offered You have been given a promise to learn the mysteries of God s kingdom and this will come in time as your mind is opened His mysteries are free to the onlooker who is pure in heart and intent But they cannot be comprehended by the 17% you are currently using Angel **The Voices Within Us** Jim
