## Conversations With Artists:

*Conversations with Artists* Selden Rodman, 1957 Thirty five American painters sculptors architects discuss their work and one another with Selden Rodman     The Conversations Richard Whittaker, 2007 In the mid 1990s philosopher and cultural critic Richard Whittaker founded the art journal *Works and Conversations* to fill a gap in the contemporary discourse Conversations with important artists have played a central role in the magazine This work brings together what Whittaker considers the sixteen most relevant interviews     **Art Talk** Cindy Nemser, 1975     **Conversations with Artists in San Miguel de Allende** M. B. Paul, Mariah Sirius, 2014-01-27 San Miguel de Allende in addition to being a World Heritage Site has long been a mecca for artists from all over the world *Conversations with Artists in San Miguel de Allende* offers an intimate look at a rapidly changing city that remains suspended between the past and the present at some of the artists who have lived there for much of their lives and at art Why is it that some men and women are compelled to make art and why did so many choose to go to a high desert plateau in central Mexico to do it The answers to these questions reveal some surprising secrets about a most unusual some say mystical place about the nature of art itself and about why artists are often willing to risk everything in order to do what they love most     **New York Studio Conversations (Part II)** Stephanie Buhmann, 2018-04     **Conversations with Charles Movalli** Charles Movalli, 2021-12-12 Dale Ratcliff Movalli now brings together in one volume a selection of American Artist articles by the late artist and author Charles Movalli 1945 2016 that he wrote based on interviews with eighteen of the best known and best loved Cape Ann painters of the late 20th century Movalli's conversational style brings to life the opinions philosophies styles and working methods that will without doubt inspire another generation of artists     **A Brief History of Working with New Media Art** Sarah Cook, 2010     Talking with Artists Pat Cummings, 1992 Fourteen distinguished picture book artists talk about their early art experiences answer questions most frequently asked by children and offer encouragement to those who would like to become artists

**Conversations at the Castle** Mary Jane Jacob, Michael Brenson, 1998 This book addresses one of the most troubling questions of contemporary art theory and practice Who is contemporary art for Although the divide between contemporary art and the public has long been acknowledged this is the first time that artists critics and the public have come together to debate the problem and to make artmaking criticism and public reaction part of the same process Like the exhibitions discussions and seminars held at The Castle during the summer 1996 Olympic Games in Atlanta this book is based on the premise that contemporary artists and the general public have something to say to each other By positing the space of conversation as one in which artworks can be experienced as creative sites open to multilayered interpretations by changing audiences the book provides an antidote to the modernist connoisseurial silence that has long been used to define quality The book is divided into three sections The first contains essays by project curator Mary Jane Jacob critic and coeditor Michael Brenson and cultural critic Homi K Bhabha Their essays describe fresh approaches to contemporary art and its audiences at

a time of increased access through technology and decreased government funding The second section contains essays by the six artists collaborative teams involved in the project Their works aimed at public participation included installation performances collaborations with Atlanta communities cross country tours and the creation and presentation of food as a means to stimulate conversation and construct community The artists are artway of thinking Italy Ery Camara Senegal Mexico Mauricio Dias and Walter Riedweg Brazil Switzerland Regina Frank Germany IRWIN Slovenia and Maurice O Connell Ireland The final section contains seven essays by the critics curators educators administrators and artists who led the Conversations on Culture at The Castle The essays are by Jacquelynn Baas Michael Brenson Lisa Graziose Corrin Amina Dickerson and Tricia Ward Steven Durland Susan Krane and Susan Vogel **Los Angeles Studio Conversations**
