Sharp Cut Steven

H. Gale, 2014-07-11 While best known as one of the most important playwrights of the twentieth century Harold Pinter 1930-2008 had an equally successful career writing screenplays His collaborations with director Joseph Losey garnered great attention and esteem and two of his screenplays earned Academy Award nominations *The French Lieutenant's Woman* 1981 and *Betrayal* 1983 He is also credited for writing an unproduced script to remake Stanley Kubrick's 1962 adaptation of *Lolita* Much scholarship has been dedicated to the subject of Pinter as playwright but the rich landscape of his work in film has been left largely undisturbed In *Sharp Cut: Harold Pinter's Screenplays and the Artistic Process* Steven H. Gale, the world's foremost Pinter scholar, analyzes Pinter's creative process from initial conception to finished film Gale makes careful point-by-point comparisons of each stage in the screenplay's creation: the source material, the adaptations themselves, and the films made from the scripts in order to reveal the meaning behind each film script and to explain the cinematic techniques used to express that meaning Unlike most Pinter scholars who focus almost solely on the written word, Gale devotes discussion to the cinematic interpretation of the scripts through camera angles and movement, cutting, and other techniques Pinter does not merely convert his stage scripts to screenplays; he adapts the works to succeed in the other medium, avoiding elements of the live play that do not work onscreen and using the camera's focusing operations in ways that are not possible on the stage As Pinter's career progressed and his writing evolved, screenplays became for him an increasingly vital means of creative expression *Sharp Cut* is the first study to fully explore this important component of the Pinter canon **Complete Works, Volume II** Harold Pinter, 2014-12-02 Along with Samuel Beckett and Eugène Ionesco, Harold Pinter holds an undisputed place in the front ranks of contemporary dramatists In volume two of his collected works, the plays and revue sketches mark a period of transition as Pinter's characters and settings become more recognizably realistic in contrast to the absurdist atmosphere of his earlier work *The Caretaker*, which first brought him fame on both sides of the Atlantic, was called a play of "strangely compelling beauty and passion" by Howard Taubman of *The New York Times* An essay by Pinter, "Writing for Myself," introduces this collection Includes *The Caretaker*, *The Dwarfs*, *The Collection*, *The Lover*, *Night School*, *Trouble in the Works*, *The Black and White Request*, *Stop*, *Last to Go*, *Special Offer*, *Writing for Myself* **Complete Works, Volume IV** Harold Pinter, 2015-01-27 Dramatist, scriptwriter, short story writer, novelist, poet, director, and actor, Harold Pinter has earned universal praise for his distinctive style and imagination In this, the most recent of four volumes, Pinter's work echoes many of his earlier themes and techniques: struggles for power and an ambience of menace while finding fresh subject matter and means to express his changing dramatic vision This volume contains three of Pinter's most famous plays, including *Old Times*, which Clive Barnes called a "joyous wonderful play that people will talk about as long as we have theater," a television play *Monologue*, and a radio piece *Family Voices* Includes *Old Times*, *No Man's Land*, *Betrayal*, *Monologue*, *Family Voices* Harold Pinter Mark Batty, 2001 Harold Pinter's work forms a cornerstone of the dramatic literature of the contemporary British stage This book offers a critical examination of his dramatic writing over four decades, from *The Room* (1957) to *Ashes to Ashes*

1996 *Pinter in Play* Susan Hollis Merritt, 1990 *Pinter in Play* provides a survey of diverse readings of the Harold Pinter canon organized around and presented in terms of the major critical schools of the past twenty five years from New Criticism to deconstruction to poststructuralism Reflecting on the cultural personal sociological and philosophical contexts of these diverse critical perspectives and the critics who express them this book is equally about the act or the art of literary criticism and itself an important work of literary criticism Drawing on interviews with Pinter scholars Susan Hollis Merritt shows how critics play with Pinter and thereby seriously enforce personal professional and political affiliations Cutting across traditional academic and nonacademic boundaries Merritt argues that greater cooperation and collaboration among critics can resolve conflicts promote greater social equity and foster ameliorative critical and cultural change *Harold Pinter* Arnold P. Hinchliffe, 1981 An introduction to the techniques used by this playwright plus a discussion of individual plays *Journal of Dramatic Theory and Criticism*, 2009 *The Caretaker and the Dumb Waiter* Harold Pinter, 1988 Jacket description back In all of Pinter's plays seemingly ordinary events become charged with profound if elusive meaning haunting pathos and wild comedy In *The Caretaker* a tramp finds lodging in the derelict house of two brothers in *The Dumbwaiter* a pair of gunmen wait for the kill in a decayed lodging house Harold Pinter gradually exposes the inner strains and fear of his characters alternating hilarity and character to create an almost unbearable edge of tension
