Helen Zenna Smith,1993-01-01 Praised by the Chicago Sun Times for its furious indignant power this story offers a rare funny bitter and feminist look at war First published in London in 1930 Not So Quiet on the Western Front describes a group of British women ambulance drivers on the French front lines during World War I surviving shell fire cold and their punishing commandant Mrs Bitch The novel takes the guise of an autobiography by Smith pseudonym for Evadne Price The novel s power comes from Smith s outrage at the senselessness of war at her country s complacent patriotism and her own daily contact with the suffering and the wounded **Rerum Britannicarum Medii Aevi Scriptores** ,1874 On War Carl von Clausewitz,1873 *Journal of the Royal United Service Institution, Whitehall Yard* ,1913 *Journal of the Royal United Service Institution* Royal United Services Institute for Defence Studies,1889 **The Lieutenant Don't Know** Jeff Clement,2020-01-10 A unique insight into the war experience a realistic picture of what it is like to serve in Afghanistan as a Marine combat logistician Small Wars Journal When he joined the Marines Jeff Clement was not a high speed top secret recon guy A logistician instead he led combat convoys across treacherous terrain in southern Afghanistan through frequent enemy attacks in order to resupply US and British positions As such he and his vehicles were a constant target for the resistance and each movement was a travail often accompanied by thundering blasts as the insurgents paved their way with IEDs Every step forward was fraught with danger even as each objective had to be met As a Marine Corps lieutenant he deployed to Afghanistan twice and always found a learning curve as men previously on the ground were more savvy and the insurgents there for the duration were savvier still The Lieutenant Don t Know provides a refreshing look at the nitty gritty of what our troops have been dealing with in Afghanistan from the perspective of a young officer who was perfectly willing to learn and take responsibility for his units in a confusing war where

combat was not merely on the front but all around and looking over all their roads Finally a readable honest and gritty account of the dangerous exhausting labor that keeps The Green Machine going Bing West New York Times bestselling author of One Million Steps One of the best war memoirs I ve ever read a moving inspiring work that s enjoyable as hell as well Stan R Mitchell author of Gravel Road
