My Father's Brain Sandeep Jauhar, 2025-06-23 There may be up to 10 million Indians living with Alzheimer's disease or related dementias and that number is expected to increase dramatically in the next few decades What is it like to live with and amid this increasingly prevalent condition an affliction that some fear more than death In *My Father's Brain* the distinguished physician and author Sandeep Jauhar sets his father's descent into Alzheimer's alongside his own journey toward understanding this disease and how it might best be coped with if not cured In an intimate memoir rich with humour and heartbreak Jauhar relates how his immigrant father and extended family felt quarrelled and found their way through the dissolution of a cherished life Along the way he lucidly exposes what happens in the brain as we age and our memory falters and explores everything from the history of ancient Greece to the most cutting edge neurological and bioethical research Throughout *My Father's Brain* confronts the moral and psychological concerns that arise when family members must become caregivers when children's and parents' roles reverse and when we must accept unforeseen turns in our closest relationships and in our understanding of what it is to have a self The result is a work of essential insight into dementia and into how scientists caregivers and all of us in an aging society are reckoning with the fallout

Caring Fathers in the Global Context Petteri Eerola, Katherine Twamley, Henna Pirskanen, Pedro Romero-Balsas, 2025-07-24 Despite growing recognition of fathers involvement in family life dominant narratives still marginalise men's caring roles *Caring Fathers in the Global Context* addresses a pressing gap in our shared understanding how care is practised and experienced by men across diverse cultural social and policy settings Drawing on wide ranging international research this timely edited collection offers a rich comparative exploration of how men become caring fathers and the pathways leading to this It connects fatherhood studies with care scholarship to provide new theoretical and empirical insights into how care is shared negotiated and made meaningful in everyday life A vital and interdisciplinary resource for anyone studying families and social change this book invites readers to rethink care masculinity and intergenerational relationships in a rapidly changing world
