**Working Woman** ,1997 *Remote, Inc.* Robert C. Pozen,Alexandra Samuel,2021-04-27 You can thrive and excel when you re working remotely if you adopt the mindset habits and tech tools of professionals who are even more productive outside the office Learn to think like a business of one and that entrepreneurial mindset will transform your experience of remote work Remote work can be satisfying and productive once you craft a strategy that taps into the unique advantages of working from home After a year in which many of us plunged into remote work overnight we finally have a chance to make thoughtful choices about how to combine remote and office work and how to make the most of our days at home Remote Inc

gives you the strategies and tools you need to make remote work a valuable part of your renewed working life Learn how to Gain control over how and when you work by focusing on objectives not the 9 to 5 workday Wow your managers by treating them like valued clients Beat information overload by prioritizing important emails and messages Make online meetings purposeful focused and engaging Build great relationships with your colleagues whether at the next desk or another city Find a balance between work from home and life at home Make a remote work plan that lets you get the best from time at the office and the best of home Remote Inc takes you inside the mindset and habits of people who flourish while working outside the office some or all of the time people who function like a business of one That s how productivity experts Robert C Pozen and Alexandra Samuel describe the mindset that lets people thrive when they re working remotely whether full time or in combination with time at the office You can follow their lead by embracing the work habits and independence of a small business owner while also tapping into the benefits of collegiality and online collaboration

**The Social Epidemiology of the COVID-19 Pandemic** Dustin T. Duncan,Ichiro Kawachi,Stephen S. Morse,2024 The COVID 19 pandemic has worsened health disparities worldwide Across all nations the burden of COVID 19 has fallen most heavily on the socially disadvantaged In the United States the COVID 19 mortality rate for Black Americans is over twice that of their White American counterparts and people in prisons have more than double the COVID 19 mortality rate of the general U S population Other social dimensions such as income gender sexuality and immigration status have also played a significant role in COVID 19 infection hospitalization and mortality The Social Epidemiology of the COVID 19 Pandemic provides an interdisciplinary analysis of the pandemic s effect across populations and its disproportionate impact on vulnerable groups in society including racial ethnic minority immigrant and incarcerated populations Written by leading international scholars this essential volume describes how the COVID 19 pandemic intersects with nearly every social determinant of health from race and ethnicity to income inequality and how such interactions compound existing structural disadvantages Using examples from upper middle and high income countries such as the United States contributing experts delve into the differential impacts of COVID 19 by major social determinants of health and reveal the resultant effect of pandemic related policy on health outcomes Together these authors underline the urgent need for further integration of social epidemiology into public health decision making to ensure that every population receives the care it requires Drawing from research across epidemiology sociology psychology and public policy The Social Epidemiology of the COVID 19 Pandemic illuminates the stark disparities exacerbated by the COVID 19 pandemic and the valuable insights from social epidemiology that can inform a more equitable pandemic response
