Discovering Public Relations Karen Freberg,2020-08-04 Discovering Public Relations introduces students to the field of PR in a practical applied and hands on way that prepares them for the modern workplace

Profitable Posts Social Media Marketing Plan to Build an Online Business to Profit Up to Six Figures ,2024-01-22 INTRODUCTION There comes a time when the elastic snaps When you push yourself to breaking point and everything crashes down My breaking point came on a gloomy Monday morning commute in 2015 Sitting in my car waiting for the lights to change I looked at two guys in their cars on either side of me

They looked as miserable as I felt At that moment I burst into tears What the fuck was I doing with my life I was unhappy in my personal life and hated my job I couldn't see a way out I was too invested in my career too old to start again Looking back I didn't know jack shit about building a fitness business Corporate marketing is one thing Doing everything from scratch alone in a different industry is another I didn't have a creative agency or a multimillion pound budget All I had was a Personal Trainer certificate and the ironparadisefitness.com domain name Nevertheless I started building my online empire Or as I now refer to it pissing in the wind for two years I would write lousy articles post selfies and wonder why clients weren't beating down my virtual door Desperate to carve a way out of corporate life I vowed not to quit My business was my obsession Going out meeting friends and taking a break were a rarity I thought it was the only way to be successful I became a hermit A recluse Like the creepy guy kids fear in horror movies That's Old Man Mitchell from No 29 He never leaves the house Some say he only goes outside to dispose of the dead bodies I wasn't that bad but my social life went on ice I studied nutrition and learned the intricacies of exercise mechanics I read books and invested in courses on social media copywriting and web design Iron Paradise Fitness had consumed my entire life and I loved it It was the fire in my belly I'd been missing The passion I needed Although it did make for awkward conversations on Tinder dates What do you like to do in your spare time The innocent question would come Well I'm building my own business right now so that's my main focus Ah cool But what do you like to do for fun Work on my business Yeah but what about when you're not doing that I'm either working on my business thinking about working on my business or eating Oh

AI Marketing Eliane Karsaklian, 2025-04-04 This book demonstrates how brands use AI to entice customers and discusses the use of AI as a competitive advantage for marketers Did you know that investors at Wall Street wait for the Groundhog Day's forecast to make their financial decisions Did you know that your favorite influencer is not a real person Did you know that your smartphone works like a magic wand Don't you feel cursed without it You will know all about it in this book Consumers just like you are looking for an effortless life and technology is making it possible with self-driving and self-parking cars smart houses beds automatically adjusting to one's sleeping needs and robot vacuuming homes all without human intervention while we share our personal QR codes Brands bring you magical solutions Mr Clean Magic Eraser L'Oréal Magic Roots and you can customize your life by magically creating your own world with the metaverse and the products you want with a 3D printer Technology and magic enclose mysteries that we cannot assess we see the input and the output but no one knows exactly what happens within the process Extensively documented with publications and empirical research this book demonstrates how brands use AI to entice customers It also discusses the use of AI as a competitive advantage for marketers and its deployment around the world Whether you are curious and confused about technology or a marketer without IT background expected to incorporate AI in your marketing strategies this book is for you so put some magic in your life
