from the reader's mind or from the poet's. Divided into four sections, poems have a wide variety of styles. The landscapes they describe range from the gothic fantasy splendour of 'The Magical A Medieval song streams from the crypt Like a curtain of night fog Tracking dew upon the spider webs to an often absurd present in 'Reality Sweet Myrtle lays them down wisely Her crispy potato chip collection In 'The Absurd Reality of Violence poems address wartime, the migrant crisis and much more besides. As the author notes in the introduction, the best aspect of this collection of poems is that you need to figure out for yourself where the Nonsense stops and the truth begins.
