Generation Z and the labor market in New York City. Impact of their demands and digital affinity on the work environment

Friederike Berg, 2020-07-16 Master s Thesis from the year 2020 in the subject Leadership and Human Resources Generation Y Generation Z grade 4 0 language English abstract The main objective of this study is to examine whether Gen Z s demands will impact the labor market in NYC Further if it does how will Generation Z impact the way this economy functions The study also examines which industries and how they would be affected The study examines how Gen Z s demands impact the future of NYC s labor market It will define development of NYC s economy based on Gen Z s digital affinity on the work environment developments in regards to the work flexibility and developments that appear due to the Zers entrepreneurial spirit The trends will subsequently affect New York City s work environment of today the structure of the industrial cluster and the structure which is shaped by industry giants of how we operate today Generation Z is entering New York City s workforce and is about to substitute the Baby Boomer Generation New York City s labor market is not prepared for this change It is the first generation that has grown up with the constant presence of the internet and the rise of social media which makes it unique in comparison to other generations in the workforce This study will identify the impact of Generation

Z's work expectations on New York City's economy by conducting mixed methods with in-depth interviews with Zers that live in New York City. It focuses on the areas of digital affinity, work flexibility, and the entrepreneurial spirit. It is expected that New York City will face enormous and not in the short term solvable challenges. *Zconomy* Jason R. Dorsey, Denise Villa, 2020-09-22. The most complete and authoritative guide to Gen Z describing how leaders must adapt their employment, sales, and marketing product and growth strategies to attract and keep this important new generation of customers, employees, and trendsetters. Gen Z changes everything. Today's businesses are not built to sell and market the way Gen Z shops and buys or to recruit and employ Gen Z the way they find and keep jobs. Leaders need answers now as Gen Z is the fastest growing generation of employees and the most important group of consumer trendsetters. The companies that quickly and comprehensively adapt to Gen Z thinking will be the winners for the next twenty years. Those that don't will be the losers or become extinct. *Zconomy* is the comprehensive survival guide on how leaders must understand and embrace Generation Z. Researched and written by Dr. Denise Villa and Jason Dorsey from The Center for Generational Kinetics, the insights in *Zconomy* are based on their extensive research; they've led more than 60 generational studies and their work with more than 500 companies around the world. In *Zconomy*, Dr. Villa and Dorsey answer: Who is Gen Z? What do employers, marketers, and sales leaders need to know? And most importantly, what should leaders do now? This is the critical moment for leaders to understand and adapt to Gen Z or become irrelevant. Gen Z is already reshaping the world of business, and this change is only going to accelerate. *Zconomy* is the definitive manual that will prepare any executive, manager, entrepreneur, HR, or marketing professional to successfully unlock the powerful potential of this emerging generation at this pivotal time. **Flat, Fluid, and Fast: Harness the Talent Mobility Revolution to Drive Employee Engagement, Accelerate Innovation, and Unleash Growth** Brynne Kennedy, 2019-10-04. Capitalize on the radical new realities of artificial intelligence changing demographics and the explosion of the freelance economy. In just a few short years, employee mobility will be an imperative for every business as millions of jobs disappear practically overnight, victims of artificial intelligence and automation, and new jobs are created. The competition for talent will be fierce, and you're going to have to make major changes in the ways you hire, manage, and retain top performers. *Flat, Fluid, and Fast* delivers the tactics and strategies you need to create a disruption-proof company during the talent mobility revolution. It walks you through the entire process, providing expert advice on new ways to: Draw top talent to your company; Implement new training programs; Create employee mobility plans; Design innovative career paths for staff; Operate an adaptable organization for long-term success; Understand policies to support this new world of work across America. *Flat, Fluid, and Fast* takes you beyond merely surviving the coming change. It equips you to seize the opportunities this change affords to beat out the competition and to become the dominant player in your industry. And it equips everyone in America to understand the government policies that are needed to unleash growth, create new jobs, and support all workers amid this radical new world of work. The talent mobility revolution is around the corner. Use this
