Introduction to the Old Testament R. K. Harrison, 2016-01-01 An Indispensable Resource for Old Testament Studies The present work is an attempt to evaluate the contents of the Old Testament and the Apocrypha against the vast background of knowledge that is now available for students of ancient Near Eastern life and culture From the Preface With characteristic understatement R K Harrison embarked on this massive attempt and produced a volume that for scrupulous detail scholarly rigor and sheer erudition has remained unmatched for nearly fifty years Writing from his own apparently limitless scholarship combined with a conservative perspective Harrison first reviews the entire history of Old Testament criticism and sets the Hebrew scriptures in their full historical and theological context He then presents a detailed discussion of each Old Testament book along with a lucid overview of the apocryphal books Harrison s engagement of the perennial issues and problems of Old Testament scholarship make this classic text a vital foundation for a new generation of scholars

For contemporary Old Testament studies this highly respected volume continues to be the essential point of departure A Survey of Israel's History Leon James Wood, 1986 Since its first publication in 1970 this book has established itself as a popular useful text in Bible colleges and seminaries The usefulness of the book has been increased by the addition of a chapter on the Inter testamental Period **A Critical Introduction to the Old Testament** George Buchanan Gray, 1920 **A Critical Introduction to the Old Testament** George Buchanan Gray, 1918 **Union Seminary Magazine**, 1892 The American Journal of Theology University of Chicago. B, Mythology and folklore. C, Philosophy. 1910 William Swan Sonnenschein, 1910 **The Best Books: A, Theology. B, Mythology and folklore. Birch, 2005 First published in 1999 this text has become a standard in seminary and university classrooms This edition was revised with special attention to deepening and broadening the theological interpretations of issues related to gender class and race Maps and illustrations are included **A Bibliography for Old Testament Study** William John Hinke, 1919
