ML Morrison

Conservative Modernity New Formations No 28:

New Formations ,1998 **Postcolonial Studies** Benita Parry,2004-07-31 This powerful selection of essays proposes practices of reading and criticism to make the field of postcolonial studies more fully attentive to historical circumstances and socio material conditions Benita Parry points to directions and dead ends in the discipline she has helped to shape with a first series of essays vigorously challenging colonial discourse theory and postcolonialism as we have known them She then turns to literature with a series of detailed readings that not only demonstrate her theoretical position at work but also give new dimensions to widely studied texts by Rudyard Kipling Joseph Conrad H G Wells and E M Forster Parry argues throughout that the material impulses of colonialism its appropriation of physical resources exploitation of human labour and institutional repression have too long been allowed to recede from view *Posthegemony* Jon Beasley-Murray,2010 A challenging new work of cultural and political theory rethinks the concept of hegemony **Designing One Nation** Katrin Schreiter,2020 Designing One Nation is the first comprehensive study to examine the intertwined economic cultures of divided Germany from the 1940s until the 1990s **Peculiarities of Liberal Modernity in Imperial Britain** Simon Gunn,James Vernon,2011-05-15 In this wide ranging volume leading scholars across several disciplines history literature sociology and cultural studies investigate the nature of liberalism and modernity in imperial Britain since the eighteenth century They show how Britain s liberal version of modernity of capitalism democracy and imperialism was the product of a peculiar set of historical circumstances that continues to haunt our neoliberal present **Forthcoming Books** Rose Army,1997 *Sapphic Modernities* L. Doan,J. Garrity,2006-06-10 An examination of the representation of the lesbian in modernity from the multiple perspectives of literary visual and cultural studies this book shows how the sapphic figure in her multiple and contradictory guises refigured and redefined citizenship in the early decades of the twentieth century

Economic and Political Weekly ,1999 *Subject Guide to Books in Print* ,1996 *Soundings* ,1995 *The Ruins of Childhood* Christine Clegg,Paul Myerscough,Vicky Lebeau,2001 The nature of childhood has been much in the public mind recently Moral panics continually arise about both child victims and child perpetrators of crime And alongside the horror stories of the headlines another kind of media representation of children churns out images which evoke nostalgia for a lost golden age of childhood **Earthographies** Wendy Wheeler,Hugh Dunkerley,2008 Radical Philosophy ,2004 **The World Is A Ghetto Race And Democracy Since World War II** Howard Winant,2001-05-30 A masterly account of world racial politics and the future of global race relations by a leading American sociologist *Moments of Modernity* Becky Conekin,Frank Mort,Chris Waters,1999 Gift to King s University College Library from Prof Brian Patton 2005 **Virtue and the Promise of Conservatism** Bruce Frohnen,1993 In *Virtue and the Promise of Conservatism* Bruce Frohnen attempts to rescue the essence of conservative virtue from rationalists and materialists of whatever political colour He argues that we have lost and must attempt to regain the conservative good life and the outlook which made it possible The tools needed to

do that according to Frohnen are humility and political action aimed at combating the centralising and materialistic structures and beliefs interfering with the formation and retention of family church and neighbourhood *The Athenaeum* ,1910 The Athenæum ,1910 **A Fundamental Fear** S. Sayyid,2003-10 This revised and updated volume is a re evaluation of political Islam The book breaks with the Arab centrism of Islamic studies and shows how Islamism can only be understood in the context of its relation with Eurocentrism Using a neo pragmatist approach inspired by Richard Porty and drawing on political and cultural theorists such as Stuart Hall Agnes Heller and J F Lyotard the book disrupts the conventional accounts of modernity and post modernity and presents a radical new reading of Islamism as a response to the de centring of the West decolonization and the passing of the Age of Europe **National Republican** ,1928
