Transcending Time Gen Lamrimpa, 2012-08-19 Inspired by years of scholarly training and decades of solitary retreat Tibetan monk Gen Lamrimpa offers a concise overview of all phases of the Kalachakra practice the preliminaries the initiation and finally the stages of generation and completion With remarkable clarity he makes the Six Session Guruyoga practice accessible to all practitioners and deepens our understanding and appreciation of this sublime teaching of the Buddha Gen Lamrimpa begins this eminently practical explanation by emphasizing the importance of a compassionate motivation for spiritual practice He then explores the nature of suffering and the cycle of existence that traps all living beings and concludes with a detailed account of the Six Phase Yoga which is meant to be recited and contemplated three times during the day and three times at night Alan Wallace's introduction illuminates both Kalachakra's rich history and Gen Lamrimpa's unique contribution to our understanding This book provides a clear explanation of Kalachakra as set forth within the context of the Six Session Guruyoga a daily meditation practice for initiates Transcending Time presents all phases of Kalachakra practice the preliminaries the initiation and finally the stages of generation and completion *The Complete Nyingma Tradition from Sutra to Tantra, Books 15 to 17* Choying Tobden Dorje, 2016-08-19 In 1838 Choying Tobden Dorje a yogin and scholar of northeastern Tibet completed a multivolume masterwork that traces the entire path of the Nyingma tradition of Tibetan Buddhism from beginning to end Written by a mantra practitioner for the benefit of mantra practitioners living among the lay community it was intended to be informative inspirational and above all practical Its twenty five books or topical divisions offer a comprehensive and detailed view of the Buddhist path according to the early translation school of Tibetan Buddhism spanning the vast range of Buddhist teachings from the initial steps to the highest esoteric teachings of great perfection Choying Tobden Dorje's magnum opus appears in English here for the first time Books 15 to 17 The Essential Tantras of Mahayoga is presented in two volumes and concerns the first of the three classes of inner tantra It presents the entire text of the Guhyagarbha Tantra in Tibetan and English together with the interlinear sections of one of its most important commentaries Dispelling the Darkness of the Ten Directions by the outstanding fourteenth century master Longchen Rabjam Also included is Choying Tobden Dorje's rewriting of Candragomin's inspirational Extensive Commentary on the Sublime Litany of the Names of Manjushri *The History of the Rifle Brigade (The Prince Consort's Own) Formerly the 95th* Sir William Henry Cope, 2017-01-23 In this book originally published in 1877 late lieutenant William Henry Cope recounts the trials and tribulations of the Rifle Brigade The Prince Consort's Own in which he served An infantry rifle regiment of the British Army that was formed in Jan 1800 as the Experimental Corps of Riflemen to provide sharpshooters scouts and skirmishers soon renamed the Rifle Corps In 1816 at the end of the Napoleonic Wars they were again renamed this time as the Rifle Brigade The unit was distinguished by its use of green uniforms as standard in place of the traditional redcoat as well as being armed with the first British made rifle accepted by the British Army in place of smoothbore muskets

Cope carries his narrative on through the Crimean War the Indian Mutiny and postings to the far flung corners of the British Empire to 1870 Richly illustrated throughout with maps and plans A WISH had long been entertained and often expressed by Riflemen both by those serving in the Regiment and by those who had formerly served in it that a detailed record of its services should be compiled To some readers some of the facts and anecdotes I have here recorded may appear trifling and unworthy of mention But it must be borne in mind that I write for Riflemen at the desire of Riflemen and to preserve the memory of the deeds of Riflemen By them I am sure nothing will be considered trivial nothing out of place in a history of the Regiment which records the valour the acts the sufferings or even preserves an anecdote of any of whatever rank of the members of that brotherhood The Author

The Tibetan Book of the Dead Graham Coleman,Thupten Jinpa,2008-11-06
The acclaimed English translation of this masterpiece of world literature prepared with the participation of the Dalai Lama One of the greatest works created by any culture and one of the most influential of all Tibetan Buddhist texts in the West The Tibetan Book of the Dead has had a number of distinguished translations but strangely all of these have been partial abridgements Now the entire text has not only been made available in English but in a translation of quite remarkable clarity and beauty A comprehensive guide to living and dying The Tibetan Book of the Dead contains exquisitely written guidance and practices related to transforming our experience in daily life on the processes of dying and the after death state and on how to help those who are dying As originally intended this is as much a work for the living as it is for those who wish to think beyond a mere conventional lifetime to a vastly greater and grander cycle Extraordinary this work will be a source of inspiration and support to many His Holiness the Dalai Lama
