## **Conspiracy Files:**

Conspiracy Files David Southwell,2002-10-28 From Mulder s and Scully s X Files to reports by respected commentators The Conspiracy Files offers a well researched yet entertaining investigation of the most famous cover ups mysterious cases shadowy figures and political assassinations *The Conspiracy Files* Martin Harry Greenberg,Scott H. Urban,1998 Clandestine government agencies black ops groups paramilitary organizations Masonic lodges fringe cults infiltrators from alien lands and perhaps alien dimensions and their conspiracies and cover ups are the subjects of the fascinating stories included in this volume Contributors include Doug Clegg Tom Monteleone Ed Gorman Christopher Golden Norman Partridge and Yvonne Navarro **The Mysterious Collapse of World Trade Center 7** David Ray Griffin,2012-12-30 At 5 20 in the afternoon on 9 11 Building 7 of the World Trade Center collapsed even though it had not been struck by a plane and had fires on only a few floors The reason for its collapse was considered a mystery In August 2008 NIST the National Institute of Standards and Technology issued its report on WTC 7 declaring that the reason for the collapse of World Trade Center 7 is no longer a mystery and that science is really behind what we have said Showing that neither of these claims is true David Ray Griffin demonstrates that NIST is guilty of the most serious types of scientific fraud fabricating falsifying and ignoring evidence He also shows that NIST s report left intact the central mystery How could a building damaged by fire not explosives have come down in free fall **Secrets, Spies and 7/7** Tom Secker,2014-07-28 On July 7th 2005 London suffered the worst terrorist attack in its history Despite one of the largest police investigations ever to take place in Britain to date not a single person has been found guilty for the atrocity that killed over 50 people Using unsealed court documents and declassified intelligence agency files *Secrets Spies and 7 7* takes you on a journey through the labyrinth of disinformation about the bombings Drawing on over 7 years of research Tom Secker shows how the official version of events which blamed 4 British Muslim men is a mess of contradictions errors and fantasies This unique investigation also explores the War on Terror context in which the attacks took place and shows how an alternative look at the evidence suggests some very different culprits to those blamed by the official story **THE JFK FILES** Peter Kross,2019-02-12 In October 2017 2 800 files about the 1963 murder were made public for the first time bringing to the fore revelations that an alleged Cuban intelligence officer met Lee Harvey Oswald in Mexico City and praised his shooting ability and that the Soviet spy agency KGB believed then Vice President Lyndon Johnson may have conspired to assassinate Kennedy On April 26 2018 the U S Government released 19 000 newly declassified government documents on the Kennedy assassination It is said that investigators learned little except that the government s ideas about what needs to be secret and what doesn t are cryptic and unpredictable Some stuff in the documents that had been open for years is now classified again and some stuff that had been classified and is now open is so innocuous that nobody can figure out what the point was In some cases the documents had re redacted material that had already been declassified in previous versions Often that seemed to reflect Trump

administration sensitivities to the feelings of foreign governments A 1975 CIA report on the surveillance of shooter Lee Harvey Oswald during his visit to the Soviet embassy in Mexico City just a few weeks before Kennedy's death was released years ago identifying a particular photo as coming from a Mexican police surveillance camera In the same document released April 26 the words Mexican police had been covered over Why are these documents even more redacted than previously known versions of the same document What astonishing information was released by the documents if any Why aren't all of the documents released in their entirety without any information redacted Are the intelligence agencies afraid they will look incompetent and unable to protect the President Or do they further confirm that Vice President Lyndon Johnson was involved in the assassination as earlier documents suggested

**American Conspiracy Files** Peter Kross, 2015-11 Conspiracy theories are not new to our modern time They date back to biblical times when Moses sent his spies out to check out what the Egyptians were doing Espionage is also linked to various conspiracies and is all mixed up in the same bag of tricks and form any decent conspiracy or theory In this new fact providing book by author Peter Kross called *The American Conspiracy Files: The Stories We Were Never Told* the reader is given a tour de force through the world of conspiracies and conspiracy theories dating back to the time when this nation was first founded right up until the modern day Author Kross provides the reader with these fascinating and unbelievable stories in short thought provoking chapters that will both inform and educate the public to these little known tales from our past Among the stories that are revealed are the circumstances surrounding the Lost Colony of Roanoke whose settlers simply left their homes and were never seen again The tales of the deaths of Davy Crockett Jesse James and Butch Cassidy and the Sundance Kid leave the reader wondering just what really happened to these iconic heroes conspiracies in the Revolutionary War including Benedict Arnold and Ben Franklin's son William We delve into the large conspiracy to kill President Lincoln and see that John Wilkes Booth did not act alone Our tale then goes into our modern day with chapters on the deaths of John F Kennedy Robert Kennedy Martin Luther King spies in the Roosevelt administration the reasons behind the Oklahoma City bombing the sordid plots of President Lyndon Johnson and the deaths of people associated with him the revelation of Deep Throat a plot by the Joint Chiefs of Staff to invade Cuba and blame it on Castro among other interesting tales As author Kross did in his previous books *Tales From Langley* *The CIA from Truman to Obama* and *The Secret History of the United States* these stories are a fascinating account of our hidden history most of which the public has never heard of

The New Pearl Harbor Revisited David Ray Griffin,2012-12-30 This second edition contains a 30 page Afterword with additional material on the alleged hijackers controlled demolition of the WTC Sibel Edmonds and the 9 11 Commission plus a discussion of whether Standard Operating Procedures had been changed in June 2001 From a skeptical vantage point but also taking to heart the classic idea that those who benefit from a crime ought to at least be investigated Griffin an eminent philosopher and theologian brings together an account of the national tragedy that is far more logical than the one we ve been asked to believe Gathering stories from the mainstream press reports from other countries the work of other researchers and the contradictory words of members of the Bush administration themselves Griffin presents a case that leaves very little doubt that the attacks of 9 11 need to be further investigated The disturbing questions emerge from every part of the story from every angle until it is impossible not to seriously doubt the official story and suspect its architects of enormous deception Long a teacher of ethics and systematic theology Griffin writes with compelling and passionate logic urging readers to draw their own conclusions from the evidence outlined The New Pearl Harbor rings with the conviction that it is possible even today to search for the truth it is a stirring call that we demand a real investigation into what happened on 9 11
