Constantino Brumidi Michelangelo of the United States Myrtle Cheney Murdock, 2022-03-09 Excerpt It should be made clear by way of an introduction to this appraisal of Constantino Brumidi that the author is neither an artist nor an art critic I am simply the wife of a Western Congressman who has been stirred by the patriotism of the Italian refugee artist Brumidi by his exquisite decorations on the walls and ceilings of our Capitol Building of the United States by his persistent effort in the face of blinding criticism and finally by the lack of recognition characterized by his unmarked burial place I have asked myself these questions many times How can countless exquisite frescoes and paintings adorn our Capitol Building and yet the American people have little or no knowledge of their existence Can an artist spend twenty five years decorating this Capitol Building and then remain as unknown as his frescoes How could a Government such as ours that has rewarded so many for so much forget the artist Brumidi and let him lie unhonored and unknown for seventy years in an unmarked grave
