Constitutional Change In The Commonwealth

Leslie Zines, University of Cambridge

Constitutional Change In The Commonwealth:

Constitutional Change in the Commonwealth Leslie Zines, University of Cambridge, 1991-06-28 This book is a contribution to comparative constitutional law and deals with important changes in the United Kingdom Canada Australia and New Zealand the original members of the present Commonwealth of Nations It is based on lectures delivered at the University of Cambridge The first lecture discusses the development in recent years of the constitutional autonomy of Canada Australia and New Zealand and its effect on the constitutions of those countries and on the concept of the crown The second lecture is concerned with methods to entrench constitutionally individual and democratic rights The final lecture contrasts judicial attitudes to the interpretation of the constitutions of Canada and Australia The conclusion is reached that although the EEC is not a federation there is a structural similarity between the distribution of governmental power within the Community and its members and the federal issues that arise in Canada Australia and other federations Constitutional Change in the Commonwealth Caribbean W. Elliot Bulmer, 2024-12-31 The Commonwealth Caribbean is experiencing a new wave of constitutional change with constitutional review and reform on the political agenda in many countries across the region This report from International IDEA and UNDP examines the agendas for change the salient issues across the region and the options for reform Informed and inspired by a conference hosted by International IDEA and UNDP in Bridgetown Barbados in June 2023 the report enables the sharing of experiences and the cross pollination of ideas from across the region It brings together the perspectives of Commonwealth Caribbean constitutional scholars and leading practitioners of constitutional change including government ministers other senior parliamentarians members of constitutional reform commissions or committees and international advisors from UNDP and International IDEA This report will be useful to anyone involved in these constitutional review and reform processes whether governmental intergovernmental non governmental or academic Constitutional Change in the Commonwealth Peter Crawford Oliver, University of Toronto. Faculty of Law, 2006 **Routledge Handbook of Comparative Constitutional Change** Xenophon Contiades, Alkmene Fotiadou, 2020-06-11 Comparative constitutional change has recently emerged as a distinct field in the study of constitutional law It is the study of the way constitutions change through formal and informal mechanisms including amendment replacement total and partial revision adaptation interpretation disuse and revolution The shift of focus from constitution making to constitutional change makes sense since amendment power is the means used to refurbish constitutions in established democracies enhance their adaptation capacity and boost their efficacy Adversely constitutional change is also the basic apparatus used to orchestrate constitutional backslide as the erosion of liberal democracies and democratic regression is increasingly affected through legal channels of constitutional change Routledge Handbook of Comparative Constitutional Change provides a comprehensive reference tool for all those working in the field and a thorough landscape of all theoretical and practical aspects of the topic Coherence from this aspect does not suggest a common view as the chapters

address different topics but reinforces the establishment of comparative constitutional change as a distinct field The book brings together the most respected scholars working in the field and presents a genuine contribution to comparative constitutional studies comparative public law political science and constitutional history **Westminster and the World** W. Elliot Bulmer,2020-10-23 Constitutional scholar Elliot Bulmer considers what Britain might learn from Westminster derived constitutions around the world Exploring the principles of Westminster Model constitutions and their impact on democracy human rights and good government this book builds to a bold re imagining of the United Kingdom s future written framework **Transvaal, Papers Relating to Constitutional Changes in the Transvaal** Great Britain. Colonial Office,1905 [The Oxford Handbook of Caribbean Constitutions](#) Richard Albert,Derek O'Brien,Se-shauna Wheatle,2020-07-23 The Oxford Handbook of Caribbean Constitutions offers a detailed and analytical view of the constitutions of the Caribbean region examining the constitutional development of its diverse countries The Handbook explains the features of the region s constitutions and examines themes emerging from the Caribbean s experience with constitutional interpretation and reform Beginning with a Foreword from the former President of the Caribbean Court of Justice and an Introduction by the lead editor Richard Albert the remainder of the book is divided into four parts Part I Caribbean Constitutions in the World highlights what is distinctive about the constitutions of the Caribbean Part II covers the constitutions of the Caribbean in detail offering a rich analysis of the constitutional history design controversies and future challenges in each country or group of countries Each chapter in this section addresses topics such as the impact of key historical and political events on the constitutional landscape for the jurisdiction a systematic account of the interaction between the legislature and the executive the civil service the electoral system and the independence of the judiciary Part III addresses fundamental rights debates and developments in the region including the death penalty and socio economic rights Finally Part IV features critical reflections on the challenges and prospects for the region including the work of the Caribbean Court of Justice and the future of constitutional reform This is the first book of its kind bringing together in a single volume a comprehensive review of the constitutional development of the entire Caribbean region from the Bahamas in the north to Guyana and Suriname in South America and all the islands in between While written in English the book embraces the linguistic and cultural diversity of the region and covers the Anglophone Caribbean as well as the Spanish French and Dutch speaking Caribbean countries **A First Nations Voice in the Australian Constitution** Shireen Morris,2020-08-06 This book makes the legal and political case for Indigenous constitutional recognition through a constitutionally guaranteed First Nations voice as advocated by the historic Uluru Statement from the Heart It argues that a constitutional amendment to empower Indigenous peoples with a fairer say in laws and policies made about them and their rights is both constitutionally congruent and politically achievable A First Nations voice is deeply in keeping with the culture design and philosophy of Australia s federal Constitution as well as the long history of Indigenous advocacy for greater

empowerment and self determination in their affairs Morris explores the historical political theoretical and international contexts underpinning the contemporary debate before delving into the constitutional detail to craft a compelling case for change

Constitutional Change in the United Kingdom and the Commonwealth Edward McWhinney, Imperial Federation, 1953

Political Conflict and Constitutional Change in Puerto Rico, 1898-1952 Alfredo

Montalvo-Barbot, 1997-11-20 The analysis of the constitutional development of Puerto Rico has been dominated by two major perspectives political gradualism and classical colonialism Gradualist analysis suggests that the constitutional development of Puerto Rico followed a pattern of gradual progression toward the goal of increasing self government A variant of this approach views the creation of particular constitutional laws for Puerto Rico as the result of United States experimentation in colonial policy making The classical colonialism approach presents the Puerto Rican constitutional laws as instruments of economic and military exploitation of Puerto Rico Both approaches oversimplify the social complexity of those involved in the creation of constitutional laws This book provides an alternative view which recognizes the role of social conflicts and social contradictions in the development of the constitutional laws of Puerto Rico

Indigenous Data Sovereignty and Policy Maggie Walter, Tahu Kukutai, Stephanie Russo Carroll, Desi

Rodriguez-Lonebear, 2020-10-29 This book examines how Indigenous Peoples around the world are demanding greater data sovereignty and challenging the ways in which governments have historically used Indigenous data to develop policies and programs In the digital age governments are increasingly dependent on data and data analytics to inform their policies and decision making However Indigenous Peoples have often been the unwilling targets of policy interventions and have had little say over the collection use and application of data about them their lands and cultures At the heart of Indigenous Peoples demands for change are the enduring aspirations of self determination over their institutions resources knowledge and information systems With contributors from Australia Aotearoa New Zealand North and South America and Europe this book offers a rich account of the potential for Indigenous data sovereignty to support human flourishing and to protect against the ever growing threats of data related risks and harms The Open Access version of this book available at <https://www.taylorfrancis.com/books/e/9780429273957> has been made available under a Creative Commons Attribution Non Commercial No Derivatives 4.0 license

The Oxford Handbook of the Australian

Constitution Cheryl Saunders, Adrienne Stone, 2018-03-01 Constitutional law provides the legal framework for the

Australian political and legal systems and thus touches almost every aspect of Australian life The Handbook offers a critical

analysis of some of the most significant aspects of Australian constitutional arrangements setting them against the historical legal political and social contexts in which Australia's constitutional system has developed. It takes care to highlight the distinctive features of the Australian constitutional system by placing the Australian system where possible in global perspective. The chapters of the Handbook are arranged in seven thematically grouped parts. The first Foundations deals with aspects of Australian history which have influenced constitutional arrangements. The second Constitutional Domain addresses the interaction between the constitution and other relevant legal systems and orders including the common law international law and state constitutions. The third Themes identifies themes of special constitutional significance including the legitimacy of the constitution citizenship and republicanism. The fourth Practice and Process deals with practical issues relevant to constitutional litigation including the processes techniques and authority of the High Court of Australia. The final three parts deal with the structural building blocks of the Australian Constitutional system Separation of Powers Federalism and the Protection of Rights. Written by a team of experts drawn from academia and practice the Handbook provides Australian and international readers alike with a reliable source of knowledge understanding and insight into the Australian Constitution.

Political Science and Comparative Constitutional Law ...: Sovereignty and liberty John William Burgess, 1900 Mr Homer has always wanted to be a horse and persuades his good friend Mr Henry to help him become one. **Devolution and Constitutional Change in Northern Ireland** Paul Carmichael, Colin Knox, Robert D. Osborne, 2007-07-15 This edited book tracks Northern Ireland's uneasy experience with devolution following the optimistic political period associated with the 1998 Belfast Good Friday Agreement. It will be of interest to students of Irish politics and public policy but more generally from a comparative perspective those with an interest in devolution and constitutional change.
