## **Constructing The German Walt Whitman:**

**Constructing the German Walt Whitman** Walter Grunzweig,1995 In this first comprehensive study in English of Walt Whitman's reception in the German speaking countries Walter Grunzweig posits a very broadly based notion of culture embodying a wide variety of elements such as high literature politics youth movements sexuality and other subcultures

**Literature and Music in the Atlantic World, 1767-1867** Catherine Jones,2014-07-16 This new study looks at the relationship of rhetoric and music in the era's intellectual discourses texts and performance cultures principally in Europe and North America Catherine Jones begins by examining the attitudes to music and its performance by leading figures of the American Enlightenment and Revolution notably Benjamin Franklin and Thomas Jefferson She also looks at the attempts of Francis Hopkinson William Billings and others to harness the Orphean power of music so that it should become a progressive force in the creation of a new society She argues that the association of rhetoric and music that reaches back to classical Antiquity acquired new relevance and underwent new theorisation and practical application in the American Enlightenment in light of revolutionary Atlantic conditions Jones goes on to consider changes in the relationship of rhetoric and music in the nationalising milieu of the nineteenth century the connections of literature music and music theory to changing models of subjectivity and Romantic appropriations of Enlightenment visions of the public ethical function of music Breaking Bounds Betsy Erkkila,Jay Grossman,1996-02-15 Breaking Bounds invigorates the study of Whitman and American culture by presenting essays that demonstrate Whitman's centrality to the widest range of social political literary sexual and cultural discourses of his time and ours Bringing together a distinguished group of cultural critics working in the fields of literature American studies Latin American studies European studies art history and gay lesbian queer studies the volume persistently opens new vistas in the ways we see Whitman and provides a model for the newest and brightest intellectual efforts associated with cultural studies Central to the volume is a set of provocative essays in queer studies that break the bounds of decorum that have too long separated Whitman's sexuality from his politics and his poetry from both The Whitman that emerges from these collected essays is renewed for a new generation of literary scholars working to define the places and the functions of his poetic words in the world Taken as a whole the volume points to the interdisciplinary future of American literary and cultural studies Breaking Bounds is essential reading for anyone interested in Whitman both inside and outside the academy **Comrade Whitman** Delphine Rumeau,2024-07-16 The reception of the American poet Walt Whitman has been a global phenomenon It is central to the history of modern poetry but it goes beyond literary stakes Whitman's proclaimed heirs often saw him as a prophet of a new world This book focuses on the Russian and Soviet uses of the poet showing how they contributed to his transformation into a revolutionary and communist icon especially in the US and in Latin America It illuminates circuitous routes of translations and interpretations between the Soviet Union Europe and the Americas It covers a vast linguistic scope including Yiddish and various languages of the Russian and Soviet empires

**Whitman's Drift** Matt Cohen, 2017-07 The American nineteenth century witnessed a media explosion unprecedented in human history and Walt Whitman's poetry reveled in the potentials of his time See the many cylinder d steam printing press he wrote See the electric telegraph stretching across the Continent from the Western Sea to Manhattan Still as the budding poet learned books neither sell themselves nor move themselves without an efficient set of connections to get books to readers the democratic media saturated future that Whitman imagined would have remained warehoused Whitman's works sometimes ran through the many cylinder d steam printing press and were carried in bulk on the strong and quick locomotive Yet during his career his publications did not follow a progressive path toward mass production and distribution Whitman's Drift asks how the many options for distributing books and newspapers shaped the way writers wrote and readers read Studying nineteenth century literature and how it circulated can help us understand not just how to read Whitman's works and times but how to understand what is happening to our imaginations now in the midst of the twenty first century media explosion from back cover

*Walt Whitman and the World* Gay Wilson Allen, Ed Folsom, 1995 Celebrating the various ethnic traditions that melded to create what we now call American literature Whitman did his best to encourage an international reaction to his work But even he would have been startled by the multitude of ways in which his call has been answered By tracking this wholehearted international response and reconceptualizing American literature *Walt Whitman and the World* demonstrates how various cultures have appropriated an American writer who ceases to sound quite so narrowly American when he is read into other cultures traditions

*Censorship and Exile* Johanna Hartmann, Hubert Zapf, 2015 The collection *Censorship and Exile* focuses on the interrelations between the experience of exile and mechanisms of censorship In the phenomenon of censorship the intersections and reciprocal tensions of the cultural and political spheres become drastically apparent Literature as a form of cultural expression reacts to and criticizes ideological premises of certain political contexts It thus represents a counter discourse to processes of canonization that are prescribed and violently put into action by oppressive political regimes Within the respective political contexts people who demanded liberties such as freedom of speech or artistic freedom often found themselves forced into exile or internal emigration The present volume focuses on these continuities and discontinuities on commonly shared features as well as the heterogeneous manifestations of exile literature's in the face of practices of censorship and the repression of free speech and artistic freedom in Germany the US and beyond The collection comprises contributions that shed light on the interrelation of censorship and exile from comparative historical political and creative perspectives

Sammons,2004 The once nationally and internationally prominent realist Friedrich Spielhagen 1829 1911 was decanonized and driven to the periphery of literary history in his own lifetime Since then critical interest has been sporadic and has often reflected the negative judgment passed on him by gatekeepers and tastemakers of his own time Except for a very few specialists most scholars have concentrated on his obsessively propagated objectiveVorm rz ideals of freedom and democracy while being driven somewhat against his will in the direction of Social Democracy and the harsher realism of such French writers as Emile Zola Special attention is given to a number of thematic centres such as the aristocracy class identity liberalism and Social Democracy the military and the dueling ethos Jews America women and love and his agonized engagement with the contemporary French novel

### **Constructing The German Walt Whitman Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Constructing The German Walt Whitman has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Constructing The German Walt Whitman has opened up a world of possibilities. Downloading Constructing The German Walt Whitman provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Constructing The German Walt Whitman has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Constructing The German Walt Whitman. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Constructing The German Walt Whitman. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Constructing The German Walt Whitman, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Constructing The German Walt Whitman has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the

most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
