

Contemplative Persona

Linda L. Bielowski, Ph. D. Bielowski

Contemplative Persona:

Routledge Revivals: Women and Gender in Medieval Europe (2006) Margaret Schaus, 2017-07-12 First published in 2006 Women and Gender in Medieval Europe examines the daily reality of medieval women from all walks of life in Europe between 450 CE and 1500 CE This reference work provides a comprehensive understanding of many aspects of medieval women and gender such as art economics law literature sexuality politics philosophy and religion as well as the daily lives of ordinary women Masculinity in the middle ages is also addressed to provide important context for understanding women's roles Additional up to date bibliographies have been included for the 2016 reprint Written by renowned international scholars and easily accessible in an A to Z format students researchers and scholars will find this outstanding reference work to be a valuable resource on women in Medieval Europe

Inspiration and Authority in the Middle Ages Brian FitzGerald, 2017-10-06 Inspiration and Authority in the Middle Ages rethinks the role of prophecy in the Middle Ages by examining how professional theologians responded to new assertions of divine inspiration Drawing on fresh archival research and detailed study of unpublished manuscript sources from the twelfth to fourteenth centuries this volume argues that the task of defining prophetic authority became a crucial intellectual and cultural enterprise as university trained theologians confronted prophetic claims from lay mystics radical Franciscans and other unprecedented visionaries In the process these theologians redescribed their own activities as prophetic by locating inspiration not in special predictions or ecstatic visions but in natural forms of understanding and in the daily work of ecclesiastical teaching and ministry Instead of containing the spread of prophetic privilege however scholastic assessments of prophecy from Peter Lombard and Thomas Aquinas to Peter John Olivi and Nicholas Trevet opened space for claims of divine insight to proliferate beyond the control of theologians By the turn of the fourteenth century secular Italian humanists could lay claim to prophetic authority on the basis of their intellectual powers and literary practices From Hugh of St Victor to Albertino Mussato reflections on and debates over prophecy reveal medieval clerics scholars and reformers reshaping the contours of religious authority the boundaries of sanctity and sacred texts and the relationship of tradition to the new voices of the Late Middle Ages

Creative Approaches to Personal Tutoring and Academic Advising Sue Beckingham, Wendy Garnham, 2025-12-10 This innovative book offers a creative overview of personal tutoring and academic advising in higher education It responds to the growing need for student support that is more inclusive supportive and focused on the whole student rather than just their academic progress Offering a fresh perspective on how personal tutoring can be transformed from a routine academic exercise into an impactful experience the chapters encourage readers to reimagine the role of a tutor and adopt a student centred approach that respects individuality and promotes growth Divided into three key sections the first section explores new ways of working with students including coaching group advising and reverse mentoring These approaches help build stronger relationships and support both academic and personal growth The second section shares fun and creative activities like

scavenger hunts meme making and LEGO SERIOUS PLAY that help students reduce stress feel more connected and engaged and build confidence The final section shows how personal tutoring can be part of the wider curriculum with ideas such as using mindfulness mentoring schemes and early support for students who may be struggling or need additional guidance With its blend of theory and practice this book is an essential resource for anyone committed to making a lasting impact through education Whether you are a seasoned tutor seeking to enhance your practice or a newcomer eager to make a difference this book will equip you with the tools to foster meaningful connections inspire critical thinking and nurture lifelong learners Journal of Character Education Jacques S. Benninga, Marvin W Berkowitz, 2020-03-01

The Journal of Character Education is the only professional journal in education devoted to character education It is designed to cover the field from the latest research to applied best practices We include original research reports editorials and conceptual articles by the best minds in our field reviews of the latest books and other relevant strategies and manuscripts by educators that describe best practices in teaching and learning related to character education The Journal of Character Education has for over a decade been the sole scholarly journal focused on research theory measurement and practice of character education This issue includes a Voices section highlighting the 2017 Character.org Sandy Award recipient along with four peer reviewed articles and a book review **Francis Bacon's Skeptical Recipes for New Knowledge** Jagdish

Hattiangadi, 2024-03-30 The book sets an ambitious goal It devises a new account of scientific methodology that makes it possible to explain how scientists manage at least occasionally to find true models of reality The new methods may be contrasted with all those currently available that employ coherence theories of knowledge Under this designation are grouped positions that can seem very different such as those of Poincaré Duhem Popper Hempel Quine Kuhn and Feyerabend but are united by the idea that the most general statements of science are merely hypotheses They may be conjectures opinions conventions posits paradigms or even myths The most we can claim to know from such generalities is that they are internally consistent and coherent with empirical data Consistency is insufficient to establish the truth of a conceptual system because many different systems perhaps an infinite number can be logically consistent and cohere with recorded data Such is the well known problem of the empirical underdetermination of theories Francis Bacon's Skeptical Recipes for New Knowledge suggests a new methodology that solves this fundamental problem of knowledge *Women and Gender in*

Medieval Europe Margaret C. Schaus, 2006-09-20 From women's medicine and the writings of Christine de Pizan to the lives of market and tradeswomen and the idealization of virginity gender and social status dictated all aspects of women's lives during the middle ages A cross disciplinary resource *Women and Gender in Medieval Europe* examines the daily reality of medieval women from all walks of life in Europe between 450 CE and 1500 CE i.e. from the fall of the Roman Empire to the discovery of the Americas Moving beyond biographies of famous noble women of the middle ages the scope of this important reference work is vast and provides a comprehensive understanding of medieval women's lives and experiences Masculinity

in the middle ages is also addressed to provide important context for understanding women's roles. Entries that range from 250 words to 4,500 words in length thoroughly explore topics in the following areas: Art and Architecture, Countries, Realms and Regions, Daily Life, Documentary Sources, Economics, Education and Learning, Gender and Sexuality, Historiography, Law, Literature, Medicine and Science, Music and Dance, Persons, Philosophy, Politics, Political Figures, Religion and Theology, Religious Figures, Social Organization and Status. Written by renowned international scholars, *Women and Gender in Medieval Europe* is the latest in the Routledge Encyclopedias of the Middle Ages. Easily accessible in an A to Z format, students, researchers, and scholars will find this outstanding reference work to be an invaluable resource on women in Medieval Europe.

Art in a Season of Revolution Margaretta M. Lovell, 2007-02-13. Lovell delights, astonishes, and challenges us with her insightful new readings of early American paintings and material culture objects. *Journal of the Early Republic*.

The Human Mind James Sully, 1892. Psychological Type Therapy Brian A. Gerrard, Jacqueline Shinefield, 2022-06-07. This book uses psychological type as a model for organizing mental health interventions, including assessing how a client's personality is affected within a specific relationship using the Psychological Type Relationship Inventory and the Psychological Type Relationship Scale. By examining each psychological type characteristic, the book demonstrates how to help a client overcome a psychological type challenge by using techniques drawn from cognitive behavioral, humanistic, and family therapy approaches. Over 20 techniques are described in explicit how-to format, and chapters show the reader how to assess both positive personality characteristics as well as negative or challenging personality characteristics in developing therapy plans. The interdisciplinary nature of the text benefits a wide spectrum of mental health practitioners who are interested in incorporating personality into their case conceptualizations to develop more effective interventions in relationship therapy.

Contemplative Persona Linda L. Bielowski, Ph.D. Bielowski, 2004-05. Although I ascribe to the philosophy that the poems speak for themselves, the poems in this book speak for a myriad of selves in a multitude of voices. For twenty-three years in my work as a psychotherapist and pastoral counselor, I have tended the wounds of the spirit and the lacerations of the soul. I have heard the dark pain that haunts restless nights and the bright hope that arises with the healing aurora. Such experiences like incense from a censer have permeated my work with introspection and reflection. Ergo, my poetry delves into the labyrinth of our fragmented interior selves and the abyss of deeper existential issues intrinsic to the human condition and without panacea. Steeped in the dichotomies of anima/animus, love/loss, joy/despair, hopelessness/fair faith, hindsight/insight, and ontological anxiety/ontological guilt, the edges of my poems blend and flow into each other, taking us full circle in our journey as together we slouch toward authenticity, a to begin again and again and again.

Thoughts on Personal Religion Edward Meyrick Goulburn, 1886. Certain Personal Matters Herbert George Wells, 1901. H.G. Wells' collection of humorous and witty essays including such topics as *Thoughts on Cheapness* and *My Aunt Charlotte*. On the Choice of a Wife, In a Literary Household, The Language of Flowers, The Book of Curses, The Writing of Essays, The Pleasure of

Quarrelling How I Died and many more **Thoughts on Personal Religion ... New edition** Edward Meyrick GOULBURN (Dean of Norwich.),1874 Contemplative Leadership for Entrepreneurial Organizations Nancy Eggert,1998-09-24

Synthesizing elements from linguistics philosophy and the histories of science and spirituality Dr Eggert opens the door to new ways of thinking perceiving valuing inquiring and acting for leaders of entrepreneurial organizations She maintains that the mainstream leadership paradigm both opens and closes possibilities for inspired leadership Today s leaders need an alternative because the dominant leadership paradigm is no longer serving them well Her book illustrates the contemplative tradition exemplified by the 14th century mystic Meister Eckhart and offers a set of fundamental assumptions about organizational life that can serve as precisely the sort of alternative paradigm needed to challenge the current logical rational paradigm inherited from the Enlightenment Indeed by adopting the contemplative style of leadership management in today s often distraught organizations will find new more effective ways to approach today s very special and wicked organizational problems Dr Eggert explores leadership styles that would arise from the contemplative paradigm Her book first considers several classics such as Thomas Kuhn s *The Structure of Scientific Revolutions* Kenneth Boulding s *Images* and Gareth Morgan s *Images of Organizations* that illustrate and explain how our basic set of operating assumptions affect how we think inquire value perceive and act highlighting certain aspects and obscuring others in accordance with the reigning paradigm Alternative paradigms Eggert argues offer alternative and additional ways of thinking and acting that bear on today s wicked problems the chronic unwieldy malignant tangles that bedevil organizations today Using the contemplative experience itself as a key metaphor for the contemplative paradigm the second section of the book uses theologian Matthew Fox s work on medieval German mystic Meister Eckhart to identify and map the underlying assumptions of the contemplative approach to life The focus then shifts to *Contemplative Leadership* the style of leadership that would flow from contemplative assumptions Eggert s book is fascinating important reading for people with management responsibilities in today s public and private sector organizations *The Philosophical Review* Jacob Gould Schurman,James Edwin Creighton, Frank Thilly, Gustavus Watts Cunningham,1923 An international journal of general philosophy **On Fasting and Almsgiving: Two Chapters on Personal Religion, Supplementary to the Seventh and Previous Editions, Etc** Edward Meyrick GOULBURN (Dean of Norwich.),1871 *The Literary Character* Isaac Disraeli,1881

Thoughts on Personal Religion ... Eighth Edition, Revised and Enlarged Edward Meyrick GOULBURN (Dean of Norwich.),1871 **National and English Review** ,1897 **The National Review** ,1897
