Contemporary Political Thought Issues In Scope Value And Direction:

Contemporary Political Thought James A. Gould, Vincent V. Thursby, 1969 **Reading Mill: Studies in Political Theory** I. Cook, 1998-01-28 Reading Mill begins with the idea that political theory as it is understood and practised in Anglophone Universities is not one practice but a set of four alternative practices marked by divergent ontologies and epistemologies Three of the conceptions of political theory identified are applied to produce markedly different readings of the works of John Stuart Mill The work is designed to demonstrate that the alternative conceptions of political theory are coherent and offer different insights into Mill's works Contemporary Political Theory J. C. Johari, 1987 *Political Theory and Political Thought* N. D. Arora, S. S. Awasthy, 2007 *Modern Political Theory* Varma S.P., 1975 Modern Political Theory critically examines the contemporary state of political theory making an assessment of the achievements and limitations of the Behavioural Revolution in its totality and reviews objectively the major paradigms and conceptual frameworks adopted by the discipline The salient features of the contending conceptual models elaborated by leading scholars operating from separate locations and disparate premises have been highlighted and intellectual inter linkages in their works have been traced The book has 3 parts Part I comprises the scope of political science as a discipline Part II deals with the tools and techniques of political analysis Part III delineates mainstreams of contemporary political thought The Indian Journal of Political Studies , 1983 **Perspectives on Democracy and Development in Post-military Nigeria** Kunle Ajayi, Bonnie Ayodele, 2004 The Indian Journal of Political Science , 2009 *Political Thinkers of Modern India: M.K. Gandhi* Verinder Grover, 1990 **Elements of Politics** Remi Anifowose, Francis C. Enemuo, 1999 **General Catalogue of Printed Books** British Museum. Dept. of Printed Books, 1959 *The Development of Systemic Concepts in Comparative Political Analysis* Philip Neal Marcus, 1969 *Truth A/Meaning in Pol Sci CB* Maria J. Falco, Falco, 1983-01-06 Marxism, Communism, and Western Society: National accounting Claus Dieter Kernig, 1972 **Marxism, Communism, and Western Society** Claus Dieter Kernig, 1972 **Social Science** , 1971 The Crisis of Political Theory Om Bakshi, 1987 Is political theory in the grip of a crisis Om Bakshi here assesses the status of contemporary political thought a subject of intense debate in recent years and contends that the classical tradition if not other traditions of thought has tended towards decline *Gandhi's View of Political Power* Jai Narain, 1987 *Political Theory* James L. Wiser, 1986 This gracefully written intellectually rigorous book explores the major issues of political theory by presenting the perspectives of major theorists It gives students necessary historical background while examining basic themes and assessing the validity of basic arguments Written in a clear direct style it can be easily understood by students with little previous exposure to political science Rather than simply presenting an abstract or formal discussion of the major issues of political theory it examines how the issues were understood by specific political thinkers including Plato Machiavelli Locke Hobbes Marx Dahl Popper Nozick T H Green and others This is a useful thematic introduction to political theory that places theory in an interesting historical and intellectual context **Peace**
