## Considering God:

**Experiencing Intimacy with God** Women of Faith,,Christa J. Kinde,2017-02-28 In our hearts we all want to experience closeness with God We want to know Him and be known by Him We long to see Him face to face hear His voice and touch His hand We want to hear Him call us His child His friend His beloved Yet in all of our yearnings we often miss the simple truth that God is already with us He is already closer to us than any sister friend or other human being could ever be if only we could have our eyes opened to this reality In this study readers will be challenged to come to this reality and see how the Holy Spirit is at work in their lives They will be challenged to consistently meet with God each day and reveal their true selves to Him the good the bad and the ugly so they can develop a closer relationship with Him **Considering God**

GEORGE E. GREEN (JR.),2025-09-22 What is your perspective on life or reality What provides you with context for all that you experience This book challenges you to view the world and reality from a different perspective a perspective that truly considers God It recognizes God s sovereignty and God s plan Considering God opens one s heart and mind to be truly awed by God **Considering God** Craig A. Staples,1998 **Upon Further Consideration** Cathy J. Drummond,2024-02-27 This book offers a unique perspective on the history of the African American people without being offensive to others and offers this history from the perspective of being an African American living here in the United States of America The book was written from the perspective of its author who was born in the late 50s experienced adolescence from the late 60s to the early 70s entered adulthood in the middle 70s which has given the author of this book the entire spectrum of life here in America pre integration segregation as well as living in the post integration era The struggles of African Americans were truly real and this book offers a concise and rather limited overview of African American history Nevertheless the book offers pertinent and timely information still very much needed today Being biblically inspired as well this book contains both scripture and scriptural commentaries Having the influence of the author s faith intertwined this is a no holds barred reading In addition the book contains records of the likes of historical violence filled voter suppression and the groups who initiated such violence against the African American voter along with the movers and shakers of political empowerment for African Americans throughout this still young history of African American in this country The book contains historical essays on lynching along with the achievements of African Americans as well and despite all the roadblocks that have been put in from of them African American continues to thrive Finally the book hopes and serves to motivate African Americans and others in an attempt for those to believe in those better days for themselves and others as well here living in the United States of America *Commentary on the Epistle to the Romans* Peter Abelard,2011 Despite its importance and the frequent references made to it by modern scholars this commentary has never before been translated into English in its entirety This volume which includes an extensive introduction fills this gap thus providing a needed contribution to medieval scholarship

How Uk Should Be James Nicholls,2020-12-10 This is a book which holds a very large amount of my ideological beliefs

which form a new ideology quite unlike any other before it I dream of a better world a healthier world A world where people are safe and all products which poison the minds and lead to human destruction don t exist A world where animal species are never driven to extinction and co exist with people rather well where many natural areas of the world remain untouched unpolluted and humans are safe from the natural hazards of the world and the unnatural hazards of the world An economic system which is fair and relatively stable and where jobs are as easy to get as merely talking A world where every religion is at peace with the other as are its followers to followers of another A justice system which is real justice and countries whom many people can say their honestly proud of being a citizen of A world free of economic corruption and instability Grasslands as green as the deepest green and forests which have trees not seldom seen A world where everyone can claim free speech no matter how outrageous radical stupid or barbaric it may sound to those people with differing views The name of this new ideological belief should be officially called Distributionism This book mainly focuses on the United Kingdom and what s best for the United Kingdom but it can be read comfortably by people who aren t UK citizens      *Consider This on This Day* Robin K. Johnson,2016-12-22 We are in a society that is constantly on the move We want what we want and we want it right now without any exceptions The first thing we should grab in the beginning of our days is a word from the Lord The desire of most believers is to have time set apart from the hustle and bustle of the day Consider This on This Day will allow you to take the first few moments of your morning reading a text and then discover new applications for overcoming the stresses of the daily grind All this will take is for you to test one week of the Bible lessons contained within to find new avenues to face those giants in your life Try it and leave with a renewed mind      *Contemplation and Freedom* Benedict R. Shoup,Mary Frohlich,2025-04-22 How does prayer shape action How does sustained engagement in deep prayer shape our very freedom to act This volume explores the relationship between Christian contemplative prayer and the exercise of freedom Over the past half century the desire for a better integration of spirituality and theology has emerged as a significant theme in theological writing While the question of freedom has not been absent from this discourse this volume highlights it by bringing it to the very center of the conversation Eleven theologians explore the dialectical relationship between contemplation and freedom by engaging with a wide array of sources ranging from Maximus the Confessor to Edith Stein from Howard Thurman to Bernard Lonergan from the Tiberian martyrs to M Shawn Copeland This symphony of voices unveils the methodological fruitfulness of placing contemplative prayer at the center of life theory and practice      **My Life in Christ** Saint John (of Kronstadt),1897      *The Revelations of St. Birgitta of Sweden* Birgitta (de Suède, sainte.),2006
