

A scenic landscape photograph featuring a winding road that curves through a field of tall, golden-brown grass. In the background, a steep, rocky hillside rises under a sky filled with soft, white clouds. The sun is low on the horizon, creating a warm, golden glow and a lens flare effect. A dark, semi-transparent rectangular box is centered over the middle of the image, containing white text. Below the text box, the author's name is written in white on a small red rectangular background.

In joy or sadness flowers

Constant Friends:

Coke of Norfolk and His Friends Anna Maria Diana Wilhelmina Pickering Stirling, Mrs. Anna Maria Diana Wilhelmina (Pickering) Stirling, 1908 The Collected Works of Richard Edwards Richard Edwards, Ros King, 2001-07-06 The heart of this book is its fully annotated critical editions of the surviving work of Richard Edwards one of the most influential poets and dramatists writing in England before Shakespeare Ros King's extensive introduction identifying the holes in the documentary evidence that might accommodate this important but now little known writer rewrites the history of pre-Shakespearean drama illustrates new approaches to sixteenth century prosody and to the modernisation of dramatic poetry and re-evaluates the public role of theatre and poetry during a particularly turbulent period in English history While it will be essential reading for specialist scholars it will also be of much wider interest The introduction is highly accessible which makes it an appropriate text book for students in a field where few textbooks are available It will appeal to the current appetite among the reading public for biography while the play poems and songs are themselves very appealing Better than Yesterday Vicki L.
