Constantine History Historiography And Legend

James Graham-Campbell, Michael Ryan

Constantine History Historiography And Legend:

Constantine Samuel N. C. Lieu, Dominic Montserrat, 2002-03-11 Constantine examines the reign of Constantine the first Christian emperor and the founder of Constantinople From a variety of angles historical historiographical and mythical The volume examines the circumstances of Constantine s reign and the historical problems surrounding them the varied accounts of Constantine s life and the plethora of popular medieval legends surrounding the reign to reveal the different visions and representations of the emperor from saint and patron of the Western church to imperial prototype Constantine History Historiography and Legend presents a comprehensive and arresting study of this important and controversial emperor

Constantine Samuel N. C. Lieu, Dominic Montserrat, 1998 Constantine examines the reign of Constantine the first Christian emperor and the founder of Constantinople From a variety of angles historical historiographical and mythical The volume examines the circumstances of Constantine s reign and the historical problems surrounding them the varied accounts of Constantine s life and the plethora of popular medieval legends surrounding the reign to reveal the different visions and representations of the emperor from saint and patron of the Western church to imperial prototype Constantine History Historiography and Legend presents a comprehensive and arresting study of this important and controversial emperor

Constantine Lieu Montserrat Staff, 1998 Constantine examines the reign of Constantine the first Christian emperor and the founder of Constantinople From a variety of angles historical historiographical and mythical The volume examines the circumstances of Constantine s reign and the historical problems surrounding them the varied accounts of Constantine s life and the plethora of popular medieval legends surrounding the reign to reveal the different visions and representations of the emperor from saint and patron of the Western church to imperial prototype Constantine History Historiography and Legend pre *The Power of Religion in Late Antiquity* Andrew Cain, 2016-09-17 Late Antiquity witnessed a dramatic recalibration in the economy of power and nowhere was this more pronounced than in the realm of religion The transformations that occurred in this pivotal era moved the ancient world into the Middle Ages and forever changed the way that religion was practiced The twenty eight studies in this volume explore this shift using evidence ranging from Latin poetic texts to Syriac letter collections to the iconography of Roman churches and Merovingian mortuary goods They range in chronology from the late third through the early seventh centuries AD and apply varied theories and approaches All converge around the notion that religion is fundamentally a discourse of power and that power in Late Antiquity was especially charged with the force of religion The articles are divided into eight sections which examine the power of religion in literature theurgical power over the divine emperors and the deployment of religious power limitations on the power of the ecclesiastical hierarchy the use of the cross as a symbol of power Rome and its transformation as a center of power the power of religion in the barbarian west and religious power in the communities of the east This kaleidoscope of perspectives creates a richly illuminating volume that add a new social and political dimension to current debates about religion in Late Antiquity **Constantine** Samuel N. C.

Lieu, Dominic Montserrat, 2002-03-11 Constantine examines the reign of Constantine the first Christian emperor and the founder of Constantinople From a variety of angles historical historiographical and mythical The volume examines the circumstances of Constantine's reign and the historical problems surrounding them the varied accounts of Constantine's life and the plethora of popular medieval legends surrounding the reign to reveal the different visions and representations of the emperor from saint and patron of the Western church to imperial prototype Constantine History Historiography and Legend presents a comprehensive and arresting study of this important and controversial emperor

Helena of Britain in Medieval Legend Antonina Harbus, 2002 St Helena mother of Constantine the Great and legendary finder of the True Cross was appropriated in the middle ages as a British saint The rise and persistence of this legend harnessed Helena's imperial and sacred status to portray her as a romance heroine source of national pride and a legitimising link to imperial Rome This study is the first to examine the origins development political exploitation and decline of this legend tracing its momentum and adaptive power from Anglo Saxon England to the twentieth century Using Latin English and Welsh texts as well as church dedications and visual arts the author examines the positive effect of the British legend on the cult of St Helena and the reasons for its wide appeal and durability in both secular and religious contexts Two previously unpublished vitae of St Helena are included in the volume a Middle English verse vita from the South English Legendary and a Latin prose vita by the twelfth century hagiographer Jocelin of Furness Antonina Harbus is Professor in the Department of English at Macquarie University Sydney Australia

The Kaiserchronik Alastair Matthews, 2012-07-26 This book presents a narratological analysis of the Kaiserchronik or chronicle of the emperors the first verse chronicle to have been written in any European vernacular language which provides an account of the Roman and Holy Roman emperors from the foundation of Rome to the eve of the Second Crusade Previous research has concentrated on the structure and sources of the work and emphasized its role as a Christian narrative of history but this study shows that the Kaiserchronik does not simply illustrate a didactic religious message it also provides an example of how story telling techniques in the vernacular were developed and explored in twelfth century Germany Four aspects of narrative are described time and space motivation perspective and narrative strands each of which is examined with reference to the story of a particular emperor Constantine the Great Charlemagne Otto the Great and Henry IV Rather than imposing a single analytical framework on the Kaiserchronik the book takes account of the fact that modern theory cannot always be applied directly to works from premodern periods it draws critically on a variety of approaches including those of Gérard Genette Boris Uspensky and Eberhard Lämmert Throughout the book the narrative techniques described are contextualized by means of comparisons with other texts in both Middle High German and Latin making clear the place of the Kaiserchronik as a literary narrative in the twelfth century

Documents of the Early 'Arian' Controversy and the Council of Nicaea David M. Gwynn, Richard Price, Michael Whitby, Philip Michael Forness, 2025-10-31 The Council of Nicaea in 325 was a momentous event in the history of both the Christian Church and the

Later Roman empire Summoned by the Christian emperor Constantine Nicaea came to be remembered as the first ecumenical council which composed the original Nicene Creed still used in modified form in most Christian churches today The assembled bishops gathered to debate the theological questions raised when the Alexandrian presbyter Arius clashed with his bishop Alexander regarding the precise divinity of the Son of God and the Son's relationship with the Father Through the surviving documents from the years surrounding Nicaea we can explore the doctrinal and ecclesiastical tensions which fuelled the so called Arian Controversy which divided Christians across the fourth century and beyond At the same time the Council of Nicaea also debated the celebration of Easter and issues of Church discipline while coming to terms with Christianity's new prestige symbolised by the presence at the council of emperor Constantine The documents translated here are of great individual value but presenting them as a collection with introductions and commentary allows a closer re examination of their significance and disputed chronology and the importance of Nicaea in a crucial formative period for the Christian Roman empire

The Legend of Basil the Bulgar-Slayer Paul Stephenson, 2003-08-07 The reign of Basil II 976 1025 the longest of any Byzantine emperor has long been considered as a golden age in which his greatest achievement was the annexation of Bulgaria This we have been told was achieved through a long and bloody war of attrition which won Basil the grisly epithet Voulgartoktonos the Bulgar slayer In this new study Paul Stephenson argues that neither of these beliefs is true Instead Basil fought far more sporadically in the Balkans and his reputation as Bulgar slayer was created only a century and a half later Thereafter the Bulgar slayer was periodically to play a galvanizing role for the Byzantines returning to centre stage as Greeks struggled to establish a modern nation state As Byzantium was embraced as the Greek past by scholars and politicians the Bulgar slayer became an icon in the struggle for Macedonia 1904 8 and the Balkan Wars 1912 13

Dudo of Saint-Quentin's Historia Normannorum Benjamin Pohl, 2015 When Dudo of Saint Quentin's Historia Normannorum first appeared in or around 1015 written for the then Duke of Normandy Richard II Dudo created a text without precedent By committing the lives and deeds of Richard II's ancestors to written memory for the first time since the foundation of Normandy under the Viking Rollo in 911 Dudo provided the Norman court at Rouen with both an official dynastic historiography and a treasured record of their collective past The Historia Normannorum was conceived from the outset as an idiosyncratic text which purported to be both staunchly traditional and remarkably innovative By means of a pioneering transdisciplinary combination of Historical Studies Manuscript Studies Literary Theory and Cultural Memory Studies this book explores medieval historiography through a unique and highly innovative lens The analysis showcases the Historia Normannorum's status as one of the most formative historical narratives of the Middle Ages one which may even provide the earliest surviving example of an illustrated chronicle from the entire Latin West Back cover

Constantine the Great Elizabeth Hartley, 2006 Featuring a series of multi disciplinary essays and a fully illustrated catalogue of objects this book is a contribution to the study of the material and visual evidence for Constantine's reign The geographic range for this book is the

Roman Empire with the focus mainly on the Western Empire *The Best Books for Academic Libraries: World history* ,2002
Books recommended for undergraduate and college libraries listed by Library of Congress Classification Numbers

Anglo-Saxon/Irish Relations Before the Vikings James Graham-Campbell,Michael Ryan,2009-12-24 These essays provide the first interdisciplinary assessment of the links between the Anglo Saxons and the Irish before 800 This overview of recent advances in the field ranges widely in scope covering language and literature legal traditions ecclesiastical history and the evidence of material culture through art history and archaeology **The Journal of Ecclesiastical History**

Clifford William Dugmore,1999 Varieties of Devotion in the Middle Ages and Renaissance Susan C. Karant-Nunn,2003 In the modern world interest in religious devotion is as great as ever This volume brings together the research of ten scholars into the diverse ways that Europeans expressed their quest for God over more than a millennium from the formative centuries of Christianity up to the seventeenth century Topics include women transvestite saints Monophysite wall paintings Anglo Saxon sainthood and painful martyrdom Carmelite self redefinition the confident authorship of Gautier de Coinci and Matfre Ermengaud competition between the bishop and a wandering preacher for popular favour in Le Mans the contemplative philanthropies of the Poor Clares Chester Nativity cycle actors masculinity Jean Gerson s warm relations with his siblings and George Herbert s eucharistic feeling The authors profound familiarity with primary sources as well as the influence of current theory makes these essays vibrant and timely **A History of the Roman People** Allen Mason

Ward,Fritz Moritz Heichelheim,Cedric A. Yeo,2003 This comprehensive yet readable book about Roman history gives the reader a fascinating journey from prehistoric Italy to the dissolution of the Roman Empire in A D 600 Centered around a traditional political and military narrative it presents in depth coverage of Roman social economic and cross cultural developments providing a reader of a greater understanding of the people places and events that shaped the great Roman empire KEY TOPICS This comprehensive book covers such topics as the foundations of early Rome and Italy the Phoenicians Etruscans and Greeks in pre Roman Italy early Rome to 500 B C early Roman society religion and values the rise of the Roman Republic the Roman Conquest of Italy the late Republic the rise of Caesar the early Roman empire the impact of Augustus on Roman life Tiberius and Caligula Claudius Nero and the Julio Claudians the Flavians crisis and change in the third and fourth centuries A D Constantine and Christianity and the Church and its legacy MARKET For anyone interested in a comprehensive book on the history of the Roman people from prehistory through 600 A D *Representative Chapters in Ancient History: From Romulus to Justinian* Richard Walter Hooper,2000 Representative Chapters in Ancient History is not just another set of reference books or an attempt to completely summarize the ancient world It is meant to be read as a lively and realistic portrait of classical antiquity These books represent eras of ancient history at a level of detail usually reserved for full scale accounts making it a great text both for college students and for the general reader The approach is evolutionary Students are given a thorough grounding in the origin and development of the major ancient Mediterranean

civilizations so that later development can be more easily understood The books move from agriculture Egypt Greece early Rome to the historical Jesus The last two chapters use Justinian to look at Byzantium This thorough and detailed account will inevitably inspire students to read more on their own and become engaged in this fascinating history Sold Only as a Set

JACT Review ,1999 Scripta Classica Israelica ,2005 **The British National Bibliography** Arthur James Wells,1999

Decoding **Constantine History Historiography And Legend**: Revealing the Captivating Potential of Verbal Expression

In a period characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force. Its ability to evoke sentiments, stimulate introspection, and incite profound transformations is genuinely awe-inspiring. Within the pages of "**Constantine History Historiography And Legend**," a mesmerizing literary creation penned by a celebrated wordsmith, readers attempt an enlightening odyssey, unraveling the intricate significance of language and its enduring effect on our lives. In this appraisal, we shall explore the book's central themes, evaluate its distinctive writing style, and gauge its pervasive influence on the hearts and minds of its readership.
