Bulletin on Constitutional Case-law, 1994 *The Legal Culture of the European Court of Human Rights* Nina-Louisa Arold, 2007-10-30 While the supervision of the European Court of Human Rights constantly grows in importance little is known about the people especially the judges inside the Court To what extent are human rights sensitive to different traditions and is their work burdened through the plurality of legal historical political or vocational experiences among the judges Looking at the first three years of permanent operation of the Court this book suggests that it is the legal culture that brings the judges together Based on interviews field study observations and an analysis of case law this book takes a novel approach on European human rights law and provides researchers and practitioners with an important basis for a full understanding of the Strasbourg case law

Decisions of the Supreme Court James Arthur Ballentine,1910 **The Case Against the Democratic House Impeaching Trump** Alan Dershowitz,2019-01-01 New York Times bestselling author One of America's most respected legal scholars a Democrat explains why impeachment proceedings against Donald Trump would be a bad idea for America In the 2018 New York Times bestseller *The Case Against Impeaching Trump* Alan Dershowitz lamented how American political discourse has devolved into hypocrisy and the criminalization of political differences in the rush to impeach President Trump Arguments to impeach Trump failed Dershowitz's shoe on the other foot test or his political golden rule Democrats must do unto Republicans what they would have Republicans do unto them and vice versa Since then we've only become more divided and the impeachment power wielded by the Democratic majority in the House of Representative threatens to further polarize the country *The Case Against the Democratic House Impeaching Trump* includes and expands upon Dershowitz's 2018 book It puts recent political events including the hyper partisan Kavanaugh hearings the unrestrained power of the Mueller investigation and the generally intolerant current political discourse into context American democracy Dershowitz argues is suffering from political hypocrisy And two years of impeachment proceedings brought by the House and the media circus that would undoubtedly surround them is clearly not the answer This book is Alan Dershowitz's plea for honest dialogue for arguments that would be made even if the shoe was on the other foot Notes on the California Reports, Supplementary to the 1906 Edition of Notes on California Reports Charles Lawrence Thompson,1912 The Protection of Fundamental Rights in the EU After Lisbon Sybe de Vries,Ulf Bernitz,Stephen Weatherill,2013-01-04 The changes made by the Lisbon Treaty suggest that its entry into force in December 2009 marks a new stage in the shaping of the EU's commitment to the protection of fundamental rights This book's concern is to provide an examination of the several and interlocking challenges which the Lisbon reforms present The book will not only address the fresh and intriguing challenges for the EU as an entity committed to the protection and promotion of fundamental rights presented by developments post Lisbon but also a number of conundrums about the scope and method of protection of fundamental rights in the EU which existed pre Lisbon and which endure The book consists of three parts The first part is concerned with the safeguarding of fundamental rights in Europe's internal market The second part of the book is entitled *The Scope of Fundamental Rights in EU Law* and the chapters discuss the reach of fundamental rights and their horizontal dimension The last part of this book deals with *The Constitutional Dimension of Fundamental Rights* analysing the special relationship between the ECJ and the ECtHR and the issue of rights competition between the EU Charter on Fundamental Rights the European Convention on Human Rights and national rights catalogues **Century Edition of The American Digest** ,1902 **New York Table of Cases and Analyzed Citations of the Decisions of the Courts of New York** Charles Ray Kreidler,1912 **Casenote Legal Briefs** Daniel Kim,2000 **An Analytical Index to the American Journal of International Law and Supplements ... and the Proceedings of the American Society of International Law** American Society of International Law,1921 **Abbott's**

Digest of All the New York Reports ..., 1889 **St. Louis Law Review**, 1927 **Accountability for International Humanitarian Law Violations: The Case of Rwanda and East Timor** Mohamed Othman, 2005-12-10 The main objective of this book is to make available to an informed audience a legal and policy oriented study on accountability for serious human rights and international humanitarian law violations. It is an attempt to share the lessons learnt in accountability for atrocity crimes as conducted by the International Criminal Tribunal for Rwanda (ICTR) and the United Nations Transitional Administration in East Timor (UNTAET). The former established subsequent to egregious atrocities that took place in 1994 and the latter following the massive outburst of violence in 1999. The book is based on two cases: Rwanda and East Timor. It is expected that it will serve as reference literature to both the legal community and policy makers on accountability for heinous international crimes. As the international community and States following serious human rights and international humanitarian law violations have painfully come to terms with their obligations to bring to justice persons in high offices or leadership positions de jure or de facto alleged to have committed such crimes, it has also become imperative that beginners' mistakes be avoided. When the International Criminal Tribunal for the Former Yugoslavia (ICTY) was established in 1993 and the ICTR in 1994 and commenced their pioneering mandates, there was no template on which the prosecution of individuals most responsible or with the greatest responsibility could be cast. Accountability had to be experimental. **Torts** Casenotes Publishing Co., Inc.
