Constructing Belonging Sabiyha Robin Prince, 2004-02-24 Looking at the communities of Central and West Harlem in New York City this study explores the locus form and significance of socioeconomic differentiation for African American professional managerial workers It begins by considering centuries of New York City history and the structural elements of class inequality to present readers with the larger context of contemporary events The primary objective of this study is to examine the everyday lives of black professionals in Harlem and determine what bearing income generating activities have on ideology consumption patterns and lifestyle among other factors *Capital Dilemma* Derek Hyra, Sabiyha Prince, 2015-11-19 *Capital Dilemma* Growth and Inequality in Washington DC uncovers and explains the dynamics that have influenced the contemporary economic advancement of Washington DC This volume s unique interdisciplinary approach using historical sociological anthropological economic geographic political and linguistic theories and approaches captures the comprehensive factors related to changes taking place in one of the world s most important cities *Capital Dilemma* clarifies how preexisting urban social hierarchies established mainly along race and class lines but also along national and local interests are linked with the city s contemporary inequitable growth While accounting for historic disparities this book reveals how more recent federal and city political decisions and circumstances shape contemporary neighborhood gentrification patterns highlighting the layered complexities of the modern national capital and connecting these considerations to Washington DC s past as well as to more recent policy choices As we enter a period where advanced service sector cities prosper Washington DC s changing landscape illustrates important processes and outcomes critical to other US cities and national capitals throughout the world The *Capital Dilemma* for DC and other major cities is how to produce sustainable equitable economic growth This volume expands our understanding of the contradictions challenges and opportunities associated with contemporary urban development **Florynce "Flo" Kennedy** Sherie M. Randolph, 2018-02-01 Often photographed in a cowboy hat with her middle finger held defiantly in the air Florynce Flo Kennedy 1916 2000 left a vibrant legacy as a leader of the Black Power and feminist movements In the first biography of Kennedy Sherie M Randolph traces the life and political influence of this strikingly bold and controversial radical activist Rather than simply reacting to the predominantly white feminist movement Kennedy brought the lessons of Black Power to white feminism and built bridges in the struggles against racism and sexism Randolph narrates Kennedy s progressive upbringing her pathbreaking graduation from Columbia Law School and her long career as a media savvy activist showing how Kennedy rose to founding roles in organizations such as the National Black Feminist Organization and the National Organization for Women allying herself with both white and black activists such as Adam Clayton Powell H Rap Brown Betty Friedan and Shirley Chisholm Making use of an extensive and previously uncollected archive Randolph demonstrates profound connections within the histories of the new left civil rights Black Power and feminism showing that black feminism

was pivotal in shaping postwar U S liberation movements The Racial Order Mustafa Emirbayer,Matthew Desmond,2024-05-31 Proceeding from the bold and provocative claim that there never has been a comprehensive and systematic theory of race Mustafa Emirbayer and Matthew Desmond set out to reformulate how we think about this most difficult of topics in American life In The Racial Order they draw on Bourdieu Durkheim and Dewey to present a new theoretical framework for race scholarship Animated by a deep and reflexive intelligence the book engages the large and important issues of social theory today and along the way offers piercing insights into how race actually works in America Emirbayer and Desmond set out to examine how the racial order is structured how it is reproduced and sometimes transformed and how it penetrates into the innermost reaches of our racialized selves They also consider how and toward what end the racial order might be reconstructed In the end this project is not merely about race it is a theoretical reconsideration of the fundamental problems of order agency power and social justice The Racial Order is a challenging work of social theory institutional and cultural analysis and normative inquiry **Changing Societies** Vincent Mariet,Muthia Chandra,Letyzia Taufani,Martine Raibaud,David Waterman,Micéala Symington,2020-07-07 Putting movement at the center of our political and practical perspectives is to consider several issues related to the movement itself including questions about the concept of pure culture The migrant s he who moves is seen as an intruder and a threat to cultural norms but other frightening social mutations such as environmental problems or the growing place of artificial intelligence in societies are just some examples of evolving cultural and social identity observable in each temporality each geographical area and even in each discipline and make it possible to study the different aspects of the dynamic movement that is at the origin of social changes This volume explores the ways in which populations confronted with such social changes are affected and which consequently can foster new ways of individual or collective decision making **The Black Panthers in the Midwest** Andrew Witt,2013-10-11 This book analyzes the community programs of the Black Panther Party specifically those of the Milwaukee branch with the aim of dispelling many of the existing stereotypes about the Party Misconceptions range from the Party being labeled as bent on the violent destruction of the United States to it being an overwhelmingly sexist group This book challenges stereotypes such as these by examining the community programs of the Party and by looking at the role of women in the Party Witt argues that the Party was not an extremist group dedicated to overthrowing the government of the United States but rather an organization committed to providing essential community services for lower income and working class African American communities around the nation **Race in an Era of Change** Heather M. Dalmage,Barbara Katz Rothman,2011 Featuring a wide range of classic and contemporary selections Race in an Era of Change A Reader is an affordable and timely collection of articles on race and ethnicity in the United States today Opening with coverage of racial formation theory it goes on to cover racial thinking including the challenging and compelling concept of whiteness and the idea of assigned and claimed racial identities The book also discusses the relationships between race and a variety of

institutions including healthcare economy and work housing and environment education policing and prison the media and the family and concludes with a section on issues of globalization immigration and citizenship Editors Heather Dalmage and Barbara Katz Rothman have carefully edited the selections so that they will be easily accessible to students A detailed introduction to each article contains questions designed to help students focus as they begin reading In addition each article is followed by a journaling question that encourages students to share their responses to the piece Offering instructors great flexibility for course use the selections can be used in any combination and in any order *Race in an Era of Change A Reader* is ideal for any undergraduate course on race and ethnicity
