## **Constructing Panic The Discourse Of Agoraphobia:**

Constructing Panic Lisa Capps,Elinor Ochs,1995 Offering a novel analysis of a patient s experience of agoraphobia this collaboration between a clinical psychologist and a linguist proposes a view of agoraphobia as a communicative disorder It opens up potential for linguistic and narrative analysis by revealing the roots of panic and by establishing a framework for therapeutic intervention      **Reinventing Identities** Laurel A. Sutton,1999      *Living Narrative* Elinor Ochs,Professor of

Anthropology Elinor Ochs,Lisa Capps,2009-06-01 This pathbreaking book looks at everyday storytelling as a twofold phenomenon a response to our desire for coherence but also to our need to probe and acknowledge the enigmatic aspects of experience Letting us listen in on dinner table conversation prayer and gossip Elinor Ochs and Lisa Capps develop a way of understanding the seemingly contradictory nature of everyday narrative as a genre that is not necessarily homogeneous and as an activity that is not always consistent but consistently serves our need to create selves and communities Focusing on the ways in which narrative is co constructed and on the variety of moral stances embodied in conversation the authors draw out the instructive inconsistencies of these collaborative narratives whose contents and ordering are subject to dispute flux and discovery In an eloquent last chapter written as Capps was waging her final battle with cancer they turn to unfinished narratives those stories that will never have a comprehensible end With a hybrid perspective part humanities part social science their book captures these complexities and fathoms the intricate and potent narratives that live within and among us

*Doing Interview-based Qualitative Research* Eva Magnusson,Jeanne Marecek,2015-10 An accessible step by step guide to the process of interview based qualitative research from formulating researchable questions to writing final reports

Pathologies of Modern Space Kathryn Milun,2013-10-18 Pathologies of Modern Space traces the rise of agoraphobia and ties its astonishing growth to the emergence of urban modernity In contrast to traditional medical conceptions of the disorder Kathryn Milun shows that this anxiety is closely related to the emergence of empty urban space homogenous space such as malls and parking lots stripped of memory and tactile features Pathologies of Modern Space is a compelling cultural analysis of the history of medical treatments for agoraphobia and what they can tell us about the normative expectations for the public self in the modern city      **A Companion to Linguistic Anthropology** Alessandro Duranti,2008-04-15 A
