Raffaela Di Napoli

#### **Constructions Of Widowhood And Virginity In The Middle Ages:**

Constructions of Widowhood and Virginity in the Middle Ages Cindy L. Carlson, Angela Jane Weisl, 1999 To be a virgin or a widow never promised a stable uniform status to a woman during the Middle Ages Rather these positions were areas open to debate constructions that did and still do create and question notions of gender roles areas of power and areas of disability For example chastity is an apparent given for both positions but the chastity involved may have a number of possible cultural meanings or uses Medieval Virginities Ruth Evans, Sarah Salih, Anke Bernau, 2003-01-01 The variety of subjects and disciplines represented here testify both to the elusiveness of virginity and to its lasting appeal and importance Medieval Virginities shows how virginity s inherent ambiguity highlights the problems contradictions and discontinuities lurking within medieval ideologies The Profession of Widowhood Katherine Clark Walter, 2018-09-21 The Profession of Widowhood explores how the idea of true widowhood was central to pre modern ideas concerning marriage and of female identity more generally The medieval figure of the Christian vere vidua or good widow evolved from and reinforced ancient social and religious sensibilities of chastity loyalty and grief as gendered work The ideal widow was a virtuous woman who mourned her dead husband in chastity solitude and most importantly in perpetuity marking her as a widow indeed 1 Tim 5 5 The widow who failed to display adequate grief fulfilled the stereotype of the merry widow who forgot her departed spouse and abused her sexual and social freedom Stereotypes of widows good and bad served highly charged ideological functions in pre modern culture and have remained durable even in modern times even as Western secular society now focuses more on a woman's recovery from grief and possible re coupling than the expectation that she remain forever widowed The widow represented not only the powerful bond created by love and marriage but also embodied the conventions of grief that ordered the response when those bonds were broken by premature death This notion of the widow as both a passive memorial to her husband and as an active rememberer was rooted in ancient traditions and appropriated by early Christian and medieval authors who used good widowhood to describe the varieties of female celibacy and to define the social and gender order A tradition of widowhood characterized by chastity solitude and permanent bereavement affirmed both the sexual mores and political agenda of the medieval Church Medieval widows both holy women recognized as saints and ordinary women in medieval daily life recognized this tradition of professed chastity in widowhood not only as a valuable strategy for avoiding remarriage and protecting their independence but as a state with inherent dignity that afforded opportunities for spiritual development in this world and eternal merit in the next The Erotics of Grief Megan Moore, 2021-09-15 The Erotics of Grief considers how emotions propagate power by exploring whose lives are grieved and what kinds of grief are valuable within and eroticized by medieval narratives Megan Moore argues that grief is not only routinely eroticized in medieval literature but that it is a foundational emotion of medieval elite culture Focusing on the concept of grief as desire Moore builds on the history of the emotions and Georges Bataille's theory of the erotic as the

conflict between desire and death one that perversely builds a sense of community organized around a desire for death The link between desire and death serves as an affirmation of living communities Moore incorporates literary visual and codicological evidence in sources from across the Mediterranean from Old French chansons de geste such as the Song of Roland and La mort le roi Artu and romances such as Erec et Enide Philomena and Floire et Blancheflor to Byzantine and ancient Greek novels to Middle English travel narratives such as Mandeville's Travels In her reading of the performance of grief as one of community and remembrance Moore assesses why some lives are imagined as mattering more than others and explores how a language of grief becomes a common language of status among the medieval Mediterranean elite

Medieval Single Women Cordelia Beattie, 2007-09-13 In a culture in which marriage was the desirable norm and virginity was particularly prized in females the categories virgin and widow held particular significance. This book investigates the uses of the category single woman The law gave unmarried women legal rights and responsibilities that were generally withheld from married women The pervasiveness of religion and the law in people's day to day lives led to a complex interplay between moral and economic concerns in how medieval women were seen As a result they were marked out as single women in very different contexts and his study reveals the multiplicity of ways in which dominant cultural ideas impacted on them Medieval Romance and the Construction of Heterosexuality L. Sylvester, 2008-07-21 This book interrogates our ideas about heterosexuality through examination of medieval romance narratives Familiar configurations of romantic fiction such as male desire overwhelming feminine reluctance and the aloof masculine hero undone by love derive from this period This book tests current theories of language and desire through stylistic analysis examining transitivity choices and speech acts in sexual encounters and conversations in medieval romances In the context of current preoccupations with gender and sexuality and consent in rape cases this study is of interest to scholars investigating language and sexuality as well as those researching and teaching medieval literature and culture **Pious Widowhood in the Middle Ages** Katherine Ann Clark, 2002 Social Imagery in Middle Low German Cordelia Hess, Cordelia Heß, 2013-06-20 Social imagery during the Late Middle Ages was typically considered to be dominated by the three orders oratores bellatores laboratores as the most common way of describing social order along with body metaphors and comprehensive lists of professions as known from the Danse macabre tradition None of these actually dominates within the vast genre of lay didactical literature This book comprises the first systematic investigation of social imagery from a specific late medieval linguistic context It methodically catalogues images of the social that were used in a particular cultural literary sphere and it separates late medieval efforts at catechization in print from the social and religious ruptures that are conventionally thought to have occurred after 1517 The investigation thus compliments recent scholarship on late medieval vernacular literature in Germany most of which has concentrated on southern urban centres of production The author fills a major lacuna in this field by concentrating for the first time on the entire extant corpus of vernacular print production in the

northern region dominated by the Hanseatic cities and the Middle Low German dialect Virgin Whore Emma Maggie Solberg, 2018-12-15 In Virgin Whore Emma Maggie Solberg uncovers a surprisingly prevalent theme in late English medieval literature and culture the celebration of the Virgin Mary's sexuality Although history is narrated as a progressive loss of innocence the Madonna has grown purer with each passing century Looking to a period before the idea of her purity and virginity had ossified Solberg uncovers depictions and interpretations of Mary discernible in jokes and insults icons and rituals prayers and revelations allegories and typologies and in late medieval vernacular biblical drama More unmistakable than any cultural artifact from late medieval England these biblical plays do not exclusively interpret Mary and her virginity as fragile In a collection of plays known as the N Town manuscript Mary is represented not only as virgin and mother but as virgin and promiscuous adulteress dallying with the Trinity the archangel Gabriel and mortals in kaleidoscopic erotic combinations Mary's virginity signifies invulnerability rather than fragility redemption rather than renunciation and merciful license rather than ascetic discipline Taking the ancient slander that Mary conceived Jesus in sin as cause for joyful laughter the N Town plays make a virtue of those accusations through bawdy yet divine comedy she redeems and exalts the crime By revealing the presence of this promiscuous Virgin in early English drama and late medieval literature and culture in dirty jokes told by Boccaccio and Chaucer Malory's Arthurian romances and the double entendres of the allegorical Mystic Hunt of the Unicorn Solberg provides a new understanding of Marian traditions Encyclopedia of Women in the Middle Ages Jennifer Lawler, 2001 A reference guide to the culture history and circumstances of women in the Middle Ages from the years 500 to 1500 that profiles individual gueens empresses and other women in positions of leadership and provides information on topics such as work marriage family households employment and religion **Sex and Sexuality in Anglo-Saxon England** Daniel Gillmore Calder, Carol Braun Pasternack, Lisa M. C. Weston, 2004 The Legend of Charlemagne in the Middle Ages Matthew Gabriele, Jace Stuckey, 2008-09-15 These essays take advantage of a new exciting trend towards interdisciplinary research on the Charlemagne legend Written by historians art historians and literary scholars these essays focus on the multifaceted ways the Charlemagne legend functioned in the Middle Ages and how central the shared if nonetheless fictional memory of the great Frankish ruler was to the medieval West A gateway to new research on memory crusading apocalyptic expectation Carolingian historiography and medieval kingship the contributors demonstrate the fuzzy line separating fact and fiction in the Middle Ages Gender and Power in Medieval Exegesis Theresa Tinkle, 2010-09-15 Gender and Power in Medieval Exegesis analyzes the nexus of gender and power in biblical commentaries from the fifth to the fifteenth century focusing on crucial moments in the development of exegesis. The argument pursues the literary trope of the woman on top through major literary exegetical works Augustine's Confessions Jerome's Against Jovinian the Fleury Slaughter of Innocents and Chaucer's Wife of Bath's Prologue Theresa Tinkle reveals how the authoritative woman in these works can signify either a troubling disruption of ordained social order or an admirable inversion of order that sets the

Church apart from dominant culture Establishing a feminist historicist perspective this book situates exegesis in history and exposes the cultural pressures behind exegetes decision making Cultural Diversity in the British Middle Ages Jeffrey Jerome Cohen, 2008 The contributors to this volume seek moments of cultural admixture and heterogeneity within texts that have often been assumed to belong to a single national canon discovering moments when familiar and bounded space erupt into unexpected diversity and infinite realms lacket Women Studies Abstracts ,2003 **Sodomy in Early Modern Europe** Thomas Betteridge, 2002-10-11 This fascinating collection of essays reflects closely the main areas of debate within gay historiography Women in the Middle Ages: K-Z Katharina M. Wilson, Nadia Margolis, 2004 The encyclopedia covers the myriad experiences and contributions of women in de medieval world The Single Woman in Medieval and Early Modern England Laurel Amtower, 2003 During the Middle Ages and Renaissance single women in England might occupy one or more categories in accordance with their life stages lifestyles and economic status Under the rubric of the single woman are found widows well born spinsters provided for by their families entrepreneurs wage earners many of whom were servants or farm workers nuns and the handicapped the latter also often sheltered by the church unwed mothers cross dressers some of whom may have been lesbians kept women and prostitutes This anthology mirrors the negotiations between the actual life circumstances of women and their ideological constructions on the page and stage These multivalent negotiations in some ways sustain in others contradict the received notion of an increasingly vehement patriarchialism limiting opportunities for women s independence and offering few fictional models of women who found happiness outside marriage The contributions here are divided between those who discuss the stifling effects of misogyny and those who uncover not only significant pockets of resistance to inequality but also a sheer disregard of misogynous traditions on the part of English institutions as well as individuals This anthology will be of interest to graduate students and advanced scholars in English medieval and Renaissance studies including social history and economics the visual arts and especially literature Writing Medieval Lives in Dante and Chaucer John S. Ramsburgh, 2004 Heythrop Journal, 2002 A select book list appears quarterly

subscription-based access to a wide range of Constructions Of Widowhood And Virginity In The Middle Ages eBooks, including some popular titles.

#### FAQs About Constructions Of Widowhood And Virginity In The Middle Ages Books

What is a Constructions Of Widowhood And Virginity In The Middle Ages PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. How do I create a Constructions Of Widowhood And Virginity In The Middle Ages PDF? There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. How do I edit a Constructions Of Widowhood **And Virginity In The Middle Ages PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. How do I convert a Constructions Of Widowhood And Virginity In The Middle Ages PDF to another file format? There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. How do I password-protect a Constructions Of Widowhood And Virginity In The Middle Ages PDF? Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
