Constructual Marital Therapy Theory And Practice:

Constructual Marital Therapy Marshall Jung, 1993 Jung then proceeds to describe important aspects of individual dynamics and how they influence the development of marriage Paradigms of Clinical Social Work Rachele A. Dorfman-Zukerman, Ph.D., Melinda L. Morgan, Ph.D., Phil Meyer, 2012-12-06 Designed to mirror how social work theory and practice is taught *Paradigms of Clinical Social Work* Volume 3 presents new therapeutic models through an imaginary family experiencing common social work problems Couples Barbara Jo Brothers, 1998 Presents seven articles discussing a variety of forms and applications of therapy for couples Several therapies are reviewed and applications in such specialized areas as multiple sclerosis and multicultural settings are discussed Also published as *Journal of Couples Therapy* v 7 no 2 3 1998 Annotation copyrighted by Book News Inc Portland OR Handbook of Marriage and the Family Marvin B. Sussman, Suzanne K. Steinmetz, Gary W. Peterson, 2013-06-29 To know where we are going as scholars educators and practitioners in the field of marriage and family life we first need to know where we have been A perusal of early texts on marriage and family life provides some thought provoking insights into the accuracy of the saying what goes around comes around It is interesting to note who has been considered to be in a position to provide information on marriage and family life Included in the eclectic collection of texts we reviewed were ministers whose focus was on spirituality doctors who emphasized medical aspects of child and adult health and public health professionals and home economists concerned with fighting disease who emphasized cleanliness order fighting germs and eliminating rodents and insects There are also philosophers who drew from ancient texts when discussing family life and a count who assembled a group of German intellectual elites to address various topics An insightful essay of this type is by Marta Karlweis 1926 in which she notes There is no other fetish that society holds to so firmly as the conception woman with all its usual associations of infantilism and dependence The child requires protection is a minor and consequently a serf but above all it possesses no spiritual existence Neither doctorates or other distinctions nor the right to vote have as yet been able to dispel this sweet idea of the childishness of woman which man cherishes p **Doing Couple Therapy** Tobey Bobes, Barbara Rothman, 2002-04-30 How do couples get beyond the reactivity and blaming that destroy self esteem and good will How can couples sort out the multiple layers and complexities in their relationships Is it possible to move from impasse to dialogue Here in one brief volume are the answers to these questions and many others *Doing Couple Therapy* will be a lifesaver for family therapy students and beginning therapists In a straightforward manner the authors sift through years of family therapy theory to draw out for readers a treasury of ways to sort out the many factors past and present that crowd couples relationships These include family of origin issues previous relationships secrets children in laws unresolved issues job demands financial worries to name just a few The authors framework built from the major influential theories of family and marital therapy will enable therapists to work effectively and briefly though not superficially with couples The book not only presents theory but

also links theory with practice An extraordinary contribution is the presentation of a typical case from beginning to end through tender moments rough spots family of origin work revelation of deeply held secrets alcohol abuse ultimatums and finally renewal of commitment to the relationship This practical real life guide to couple therapy will give both students and seasoned therapists a new take on the demanding work of couple therapy
