Consumer Culture and Postmodernism Mike Featherstone, 2007-07-11 The first edition of this contemporary classic can claim to have put consumer culture on the map certainly in relation to postmodernism This expanded new edition includes a fully revised preface that explores the developments in consumer culture since the first edition a major new chapter on Modernity and the Cultural Question an update on postmodernism and the development of contemporary theory after postmodernism an account of multiple and alternative modernities the challenges of consumer culture in Japan and China The result is a book that shakes the boundaries of debate from one of the foremost writers on culture and postmodernism of the present day

Bright Modernity Regina Lee Blaszczyk, Uwe Spiekermann, 2017-08-24 Color is a visible technology that invisibly

connects so many puzzling aspects of modern Western consumer societies research and development making and selling predicting fashion trends and more Building on Regina Lee Blaszczyk's go to history of the color revolution in the United States this book explores further transatlantic and multidisciplinary dimensions of the topic Covering history from the mid nineteenth century into the immediate past it examines the relationship between color commerce and consumer societies in unfamiliar settings and in the company of new kinds of experts Readers will learn about the early dye industry the dynamic nomenclature for color and efforts to standardize understand and educate the public about color Readers will also encounter early food coloring new consumer goods technical and business innovations in print and on the silver screen the interrelationship between gender and color and color forecasting in the fashion industry **Consuming Modernity** Cheryl Krasnick Warsh, Dan Malleck, 2013-08-23 Positioning consumer culture in Canada within a wider international context Consuming Modernity explores the roots of modern Western mass culture between 1919 and 1945 when the female worker student and homemaker relied on new products to raise their standards of living and separate themselves from oppressive traditional attitudes Mass produced consumer products promised to free up women to pursue other interests shaped by marketing campaigns advertisements films and radio shows Concerns over fashion personal hygiene body image and health reflected these new expectations This volume is a fascinating look at how the forces of consumerism defined and redefined a generation **Scenes of Parisian Modernity** H. Hahn, 2009-11-23 Integrating the history of Paris with the history of consumption the press publicity advertising and spectacle this book traces the evolution of the urban core districts of consumption and explores elements of consumer culture such as the print media publishing retail techniques tourism city marketing fashion illustrated posters and Montmartre culture in the nineteenth century Hahn emphasizes the tension between art and industry and between culture and commerce a dynamic that significantly marked urban commercial modernity that spread new imaginary about consumption She argues that Parisian consumer culture arose earlier than generally thought and explores the intense commercialization Paris underwent *Television and Consumer Culture* Rob Turnock, 2007-07-30 The radical expansion of television broadcasting in the post war years and beyond both reflected and promoted a cultural revolution sweeping across British society Reaching out to a mass audience for the first time the new television industry made visible the transition from drab austerity and seeming cultural consensus to the brash heady glitz and individualism of the new consumer age Television and Consumer Culture explores television's institutional technological and programming developments during this period revealing how genres as different as action adventure series serious dramas situation comedies and quiz and game shows simultaneously promoted both consumer culture and class conflict Drawing on historical analysis and sociological theory and looking at issues such as celebrity scheduling intimacy and sociability Turnock argues that television during this era established and promoted itself as a culturally powerful force a fact that has implications for the way that media power is understood to operate today Marketing Modernity Adam

Arvidsson,2003-12-08 In *Marketing Modernity* Adam Arvidsson traces the development of Italy's postmodern consumer culture from the 1920s to the present day In so doing Arvidsson argues that the culture of consumption we see in Italy today has its direct roots in the social vision articulated by the advertising industry in the years following the First World War He then goes on to discuss how that vision was further elaborated by advertising's interaction with subsequent big discourses in Twentieth Century Italy fascism post war mass political parties and the counter culture of the 1960s and 1970s Based on a wide range of primary sources this fascinating book takes an innovative historical approach to the study of consumption

Scenes of Parisian Modernity H. Hahn,2010-01-13 This book explores the commercial modernity of Parisian urban culture and consumer culture in the 19th century *Creating Mexican Consumer Culture in the Age of Porfirio Díaz* Steven B. Bunker,2012-12-15 This study shows how goods and consumption embodied modernity in the time of Porfirio Díaz Through case studies of tobacco marketing department stores advertising shoplifting and a famous jewelry robbery and homicide he provides a tour of daily life in Porfirian Mexico City overturning conventional wisdom that only the middle and upper classes participated in this culture Provided by publisher *Marketing Modernity* Adam Arvidsson,2003 In *Marketing Modernity* Adam Arvidsson traces the development of Italy's postmodern consumer culture from the 1920s to the present day In so doing Arvidsson argues that the culture of consumption we see in Italy today has its direct roots in the social vision articulated by the advertising industry in the years following the First World War He then goes on to discuss how that vision was further elaborated by advertising's interaction with subsequent big discourses in Twentieth Century Italy fascism post war mass political parties and the counter culture of the 1960s and 1970s Based on a wide range of primary sources this fascinating book takes an innovative historical approach to the study of consumption **Approaching Consumer Culture** Evgenia Krasteva-Blagoeva,2018-10-25 This fascinating collection analyzes the impact of Western consumer culture on local cultures and consumption in Southeast Europe and East Asia Cultural historical economic and sociopolitical contexts are examined regarding buying behaviors usage and customization practices and consumer activism specifically in Bulgaria Serbia and Romania as cultures continue to evolve in the post socialist era and in China and Japan as a continuation of movements toward modernity and progress Surprising and thought provoking contrasts stand out as consumers balance the global with the local in terms of clothing technology luxury items and food All chapters feature a wealth of empirical and cross cultural data and the presentation is framed by Professor Mike Featherstone's theoretical essay on the origins of consumer culture and the consequences of two hundred years of increasing consumption for the human condition and the future of the planet Included in the coverage You are a socialist child like me Goods and Identity in Bulgaria Consumer Culture from Socialist Yugoslavia to Post Socialist Serbia Movements and Moments Preserves Exiting Socialism Authenticity Anti Standardization and Middle Class Consumption in Post Socialist Romania Modernization and the Department Store in Early 20th Century Japan Modern Girl and New Consumer Culture Lifestyles A Cultural Reading of Conspicuous

Consumption in China Approaching Consumer Culture broadens the cultural anthropology literature and will be welcomed by Western and Eastern scholars and researchers alike Its depth and accessibility make it useful to university courses in cultural anthropology cultural studies and sociology **The Coming of Consumer Society** ,2025-10-27 The present volume adds momentum to the ongoing discourse on consumerism in India and offers a fresh perspective by arguing that India is not just a consumer market but a consumer society in the making There is no consensus on the birth place and context of a consumer society amongst historians And for scholars of contemporary social life consumer societies till recently were held to be akin to societies in the late stage of capitalism or those having completed their transition from feudalism to post industrialism However given the processes of globalization and liberalization of new global economic order consumerism as an ideology a world view and a practice is fast coming of age in other societies across the globe Hence the earlier intellectual lexicon stands replaced by a new consumer epistemology signalling the coming of new consumer societies in hitherto unimagined locales such as India The varied essays in the volume develop the themes of consumption brands representation and identity construction in some new settings so far unexplored in the Indian context for instance ethnic brands such as Fabindia tribal art in new digitized forms fashion and so on The strength of the book lies in traversing not just fresh sites and objects of consumer desire but also in bringing together a host of multidisciplinary and theoretical perspectives such as Marxism feminism postmodernism and post colonialism The book would be of interest to students and researchers of sociology anthropology politics cultural studies and media studies Television and Consumer Culture Rob Turnock,2007-07-30 The radical expansion of television broadcasting in the post war years and beyond both reflected and promoted a cultural revolution sweeping across British society Reaching out to a mass audience for the first time the new television industry made visible the transition from drab austerity and seeming cultural consensus to the brash heady glitz and individualism of the new consumer age Television and Consumer Culture explores television s institutional technological and programming developments during this period revealing how genres as different as action adventure series serious dramas situation comedies and quiz and game shows simultaneously promoted both consumer culture and class conflict Drawing on historical analysis and sociological theory and looking at issues such as celebrity scheduling intimacy and sociability Turnock argues that television during this era established and promoted itself as a culturally powerful force a fact that has implications for the way that media power is understood to operate today Global Trade and the Transformation of Consumer Cultures Beverly Lemire,2018-01-11 The oceanic explorations of the 1490s led to countless material innovations worldwide and caused profound ruptures Beverly Lemire explores the rise of key commodities across the globe and charts how cosmopolitan consumption emerged as the most distinctive feature of material life after 1500 as people and things became ever more entangled She shows how wider populations gained access to more new goods than ever before and through industrious labour and smuggling acquired goods that heightened comfort redefined leisure and widened access to fashion Consumption

systems shaped by race and occupation also emerged Lemire reveals how material cosmopolitanism flourished not simply in great port cities like Lima Istanbul or Canton but increasingly in rural settlements and coastal enclaves The book uncovers the social economic and cultural forces shaping consumer behaviour as well as the ways in which consumer goods shaped and defined empires and communities

Television and Consumer Culture Robert Turnock, The radical expansion of television broadcasting in the post war years and beyond both reflected and promoted a cultural revolution sweeping across British society Reaching out to a mass audience for the first time the new television industry made visible the transition from drab austerity and seeming cultural consensus to the brash heady glitz and individualism of the new consumer age Television and Consumer Culture explores television s institutional technological and programming developments during this period revealing how genres as different as action adventure series se

Suitably Modern Mark Liechty, 2020-11-10 Suitably Modern traces the growth of a new middle class in Kathmandu as urban Nepalis harness the modern cultural resources of mass media and consumer goods to build modern identities and pioneer a new sociocultural space in one of the world s least developed countries Since Nepal s opening in the 1950s a new urban population of bureaucrats service personnel small business owners and others have worked to make a space between Kathmandu s old and still privileged elites and its large and growing urban poor Mark Liechty looks at the cultural practices of this new middle class examining such phenomena as cinema and video viewing popular music film magazines local fashion systems and advertising He explores three interactive and mutually constitutive ethnographic terrains a burgeoning local consumer culture a growing mass mediated popular imagination and a recently emerging youth culture He shows how an array of local cultural narratives stories of honor value prestige and piety flow in and around global narratives of progress modernity and consumer fulfillment Urban Nepalis simultaneously adopt and critique these narrative strands braiding them into local middle class cultural life Building on both Marxian and Weberian understandings of class this study moves beyond them to describe the lived experience of middle classness how class is actually produced and reproduced in everyday practice It considers how people speak and act themselves into cultural existence carving out real and conceptual spaces in which to produce class culture

Consuming Traditions Elizabeth Outka, 2009 Examples of faux authenticity abound in today s marketplace Trading on the commercial appeal of the ersatz real however is far from a twenty first century invention As Consuming Traditions investigates the allure of commodified nostalgia and the selling of the genuine article emerged as powerful forces in early twentieth century Britain Elizabeth Outka redefines the debates surrounding literary modernism and the market as she explores the marketing of authenticity a crucial but overlooked development in the history of modernity With an interdisciplinary approach that probes novels plays advertisements and architecture Consuming Traditions presents a convincing case for how the commodified authentic the selling of objects and places allegedly free of commercial taint marks a critical turn in modern culture and offers a new way to understand literary modernism and its complex negotiation of tradition and novelty Drawing on cultural

studies theories of consumerism and works by Shaw Forster Woolf Joyce and others Outka examines how literature both enacted and critiqued the larger revolution in material culture BOOK JACKET Modernity: Cultural modernity Malcolm Waters,1999 V 1 Modernization V 2 Cultural modernity V 3 Modern system V 4 After modernity
