*Buying Power* Lawrence B. Glickman, 2009-06-10 A definitive history of consumer activism *Buying Power* traces the lineage of this political tradition back to our nation's founding revealing that Americans used purchasing power to support causes and punish enemies long before the word boycott even entered our lexicon Taking the Boston Tea Party as his starting point Lawrence Glickman argues that the rejection of British imports by revolutionary patriots inaugurated a continuous series of consumer boycotts campaigns for safe and ethical consumption and efforts to make goods more broadly accessible He explores abolitionist led efforts to eschew slave made goods African American consumer campaigns against Jim Crow a 1930s refusal of silk from fascist Japan and emerging contemporary movements like slow food Uncovering previously unknown episodes and analyzing famous events from a fresh perspective Glickman illuminates moments when consumer activism intersected with political and civil rights movements He also sheds new light on activists relationship with the consumer movement which gave rise to lobbies like the National Consumers League and Consumers Union as well as ill fated legislation to create a federal Consumer Protection Agency

**Consumer Economic Issues in America** E. Thomas Garman, 2002 *Consumer Economic Issues in America* empowers consumers with the knowledge to recognize and pursue their moral and legal rights The book takes a pro consumer and normative view as it reveals the vested economic interests of businesses governments and consumers today The authors emphasize higher order thinking using basic economic concepts to analyze consumer issues Readers gain a strong understanding of the American economic system and the concepts of consumer sovereignty and consumer interest They become equipped with the evaluative criteria for judging products and services tools for living the ability to analyze consumer issues and an understanding of factors that affect buying decisions The text examines capitalism and how resources are allocated in the U S marketplace Discussions focus on economic concepts critical to consumer success consumers in a global economic marketplace and the details of the government regulating economic and consumer interests Readers examine the breadth of current consumer interest concerns using a framework for analyzing and resolving issues and developing rational decision making skills

**A Consumers' Republic** Lizabeth Cohen, 2003-12-30 In this signal work of history Bancroft Prize winner and Pulitzer Prize finalist Lizabeth Cohen shows how the pursuit of prosperity after World War II fueled our pervasive consumer mentality and transformed American life Trumpeted as a means to promote the general welfare mass consumption quickly outgrew its economic objectives and became synonymous with patriotism social equality and the American Dream Material goods came to embody the promise of America and the power of consumers to purchase everything from vacuum cleaners to convertibles gave rise to the power of citizens to purchase political influence and effect social change Yet despite undeniable successes and unprecedented affluence mass consumption also fostered economic inequality and the fracturing of society along gender class and racial lines In charting the complex legacy of our Consumers Republic Lizabeth Cohen has written a bold encompassing and

profoundly influential book      **Shoptimism** Lee Eisenberg, 2009-11-03 In this smart engaging book Lee Eisenberg best selling author of *The Number* A Completely Different Way to Think about the Rest of Your Life leads us on a provocative and entertaining tour of America's love hate affair with shopping a pursuit that even in hard times remains a true national pastime Why do we shop and buy the way we do In a work that will explain much about the American character Eisenberg chronicles the dynamics of selling and buying from almost every angle Neither a cheerleader for consumption nor an anti consumerist scold he explores with boundless curiosity the vast machinery aimed at inducing us to purchase everything from hair mousse to a little black dress He leads us with understated humor into the broad universe of marketing retailing advertising and consumer and scientific research an arsenal of powerful forces that combine to form what he calls The Sell Side Through the rest of the book Eisenberg leads us through the Buy Side a journey directly into our own hearts and minds asking among other questions What are we really looking for when we buy Why are we alternately excited guilt ridden satisfied disappointed and recklessly impulsive What are our biases need for status impulses to self express that lead us individually to buy what we buy Are you a classic buyer your head wants to do the right thing or a romantic buyer your heart just wants to have fun How do men and women differ in their attitudes towards shopping and does the old cliché Women shop men buy apply any longer Of special interest are the author's findings on the subject of What Makes a Good Buy We all purchase things that we sooner or later regret but what are the guidelines for making purchases that we'll never regret What for instance defines the perfect gift Brimming with wit and surprise *Shoptimism* will be delightful and instructive reading for anyone with a credit card and a healthy curiosity about American culture through good times and bad For here in one vivid journey is a memorable panoramic portrait of our everyday self delusions desires and dreams      **The Overspent American**

Juliet B. Schor, 1998-04-26 An in depth look at the corruption of the American Dream the follow up to the *Overworked American* examines the consumer lives of Americans and the pitfalls of keeping up with the Joneses Schor explains how and why the purchases of others in our social and professional communities can put pressure on us to spend more than we can afford to how television viewing can undermine our ability to save and why even households with good incomes have taken on so much debt for so many products they don't need and often don't even want      *The Morality of Spending* Daniel

Horowitz, 1992-02 A brilliant history of American misgivings about the consequences of their comfort affluence and luxury      *Consumer Society in American History* Lawrence B. Glickman, 1999 This volume offers the most comprehensive and incisive exploration of American consumer history to date spanning the four centuries from the colonial era to the present

**The Consumer in American Society** Archie William Troelstrup, 1974      **The Pre-industrial Consumer in England and America** Carole Shammas, 1990 This book is a comprehensive study of English and American consumers and consumption before industrialization and mass urbanization Shammas examines the changes in what rural households bought on the market and what they produced themselves She charts the incredible growth in what contemporaries called

groceries tobacco sugar and caffeine drinks and in semi durables lighter textiles pottery glassware and paper products and discusses the effects of this growth on diet and domestic environment She also considers the process whereby the new goods got distributed The sudden proliferation of shops and their relationship to market towns and peddling is also treated in depth The comparison between England and America is of particular interest because the two were inextricably linked by trade and culture yet their material situation including land availability population density social structure and natural resources differed greatly Current notions about consumer revolutions and consumer societies are challenged and the author offers an alternative framework for evaluating changes in consumption patterns over time

**Italian Women's Experiences with American Consumer Culture, 1945-1975** Jessica L. Harris, 2020-06-30 This book analyzes the spread of American female consumer culture to Italy and its influence on Italian women in the postwar and Cold War periods eras marked by the political economic social and cultural battle between the United States and Soviet Union Focusing on various aspects of this culture beauty and hygiene products refrigerators and department stores as well as shopping and magazine models the book examines the reasons for and the methods of American female consumer culture's arrival in Italy the democratic consumer capitalist messages its products sought to sell to Italian women and how Italian women themselves reacted to this new cultural presence in their everyday lives Did Italian women become the American Mrs Consumer As such the book illustrates how the modern consuming American woman became a significant figure not only in Italy's postwar recovery and transformation but also in the international and domestic cultural and social contests for the hearts and minds of Italian women

**Consuming Visions** Simon J. Bronner, 1989 How did the consumer system develop to pervade the whole of American culture The rise of American mass culture helped to spread consumerism turning the country into a nation of consumers

**China's Super Consumers** Savio Chan, Michael Zakkour, 2014-09-22 Chinese Consumers are Changing The World Understand Them and Sell To Them China has transformed itself from a feudal economy in the 19th century to Mao and Communism in the 20th century to the largest consumer market in the world by the early 21st century China's Super Consumers explores the extraordinary birth of consumerism in China and explains who these super consumers are China's Super Consumers offers an in depth explanation of what's inside the minds of Chinese consumers and explores what they buy where they buy how they buy and most importantly why they buy The book is filled with real world stories of the foreign and domestic companies leading brands and top executives who have succeeded in selling to this burgeoning marketplace This remarkable book also takes you inside the boardrooms of the people who understand Chinese consumers and have had success in the Chinese market A hands on resource for succeeding in the Chinese marketplace Filled with real world stories of companies who have made an impact in China Discover what the Chinese consumer wants and how to deliver the goods Written by Savio Chan and Michael Zakkour two leading experts on the Chinese market This book is an invaluable resource for anyone who wants a clear understanding of how China's Super Consumers are changing the world and how to sell to
